OUTSIDE OPPORTUNITIES:

The 2018 Ignite LA Fellowships are currently open to Los Angeles County high school **sophomores and juniors**. This opportunity sends students on an ***all-expenses-paid Earthwatch expedition*** over the summer to conduct hands-on scientific research in the field at a variety of locations throughout the country. The fellowship looks for students with energy, creativity, and a passion to learn, and is not based on academic performance (grades, GPA, test scores, etc.). Applications are due by **December 1st** at earthwatch.org/ignite.

The Diamond Challenge is a global venture concept competition open to all students around the world who have a love for entrepreneurship. It was created in 2012 by the University of Delaware.

There are no stipulations to apply to the University of Delaware for those who participate. The competition offers two unique tracks-Business or Social Venture-and both are based on the emerging science of evidence-based entrepreneurship, which combines academic research as well as real-world and industry best practices. This year there is a prize pool of up to **\$100,000**. If interested, please log onto www.diamondchallenge.org for more information.

The Los Serenos de Point Vicente Junior Docent Program is open to Peninsula, Palos Verdes and Chadwick high school students. The program was designed to complement the existing educational and support activities provided by the members of Los Serenos including museum tours, hikes support, whale wagon duty and special event participation. Beyond the eight weeks of training classes and 36 hours of annual commitment, the program currently includes activities such as field trips to the tide pools at Abalone Cove and opportunities to hone presentation and public speaking skills. If interested in becoming a Junior Docent, please log onto the following link for more information/application: http://www.losserenos.org/jd_info_form.html
