PVPUSD: PARENT & STUDENT LCAP SURVEYS

We are asking PVPUSD parents, and students in grades 3 -12, to participate in an annual Local Control Accountability Planning (LCAP) Survey. The purpose of this survey is to gather information from a variety of sources about the educational environment within the PVPUSD that contributes to the production of high academic achievement levels for all students. The main emphasis of this survey focuses on the conditions of learning, pupil achievement outcomes, stakeholder engagement, and pupil safety. This is an anonymous survey and the collective results will be shared during Local Control Accountability Plan (LCAP) meetings to guide local priority development, actions, and services. We value each respondent and it is important that we get a representative sample from our community.

We have separated and specified the surveys into categories which include: Elementary Students (grades 3-5), Secondary Students (intermediate & high school), Parent, Certificated Staff, and Classified Staff. We are asking both you, the parent, and your student(s) in grades 3-12, to click on the link provided and complete the applicable survey. Your responses will help guide the funding priorities for the PVPUSD Board of Education.
