GIRLS' VOLLEYBALL-BREAST CANCER FUNDRAISER

You probably know that October is breast cancer awareness month...this disease attacks one in eight women. In years past, the PVHS Girls Volleyball team has raised funds for breast cancer research by holding a "Dig Pink" event at one of our home matches in October.

Our "Dig Pink" match this year will be against Peninsula on Friday, October 6th. Keep an eye out for team members selling pink breast cancer awareness bracelets during the week of October 2nd. The snack shack at the game will have pink candies and treats, temporary tattoos, and pink pom poms in addition to regular snack shack offerings. All proceeds will go directly to support our charity, the Breast Cancer Research Foundation. BCRF is the highest rated breast cancer organization in the US. Currently, 91 cents of every dollar they spend is directed towards breast cancer research and awareness programs.

The majority of our fundraising will be directly through our fundraising website <https://give.bcrfcure.org/pvhsvolleyballdigpink>. PLEASE share this site on your Facebook page or email the link to family and friends and ask them to click on the link and donate. No donation is too small.

Thank you so much to everyone helping and contributing and please come support our girls on October 6th - bring your friends and family! Go Sea Kings!

NATIONAL BANNED BOOKS WEEK

It is National Banned Books Week this week! Did you know that 50% of the nation's book challenges happen within schools? Your words have the power to challenge censorship. Out of the hundred of challenges the American Library Association records every year, only about 10% of books are successfully removed from communal shelves, thanks to local literary champions such as teachers, librarians, parents, and students.
