OUTSIDE OPPORTUNITIES:

Questbridge College Prep Scholars Program: This program prepares high-achieving, low-income 11th graders to be admitted to the nation's best colleges, and possibly attend for free. College Prep Scholars could receive special awards, such as full scholarships to college summer programs, exclusive access to 40 top colleges at a National College Admissions Conference, all-expense-paid campus visits, and more. **This program is for high school juniors** who have shown outstanding academic ability (top 5%-10% of your graduating class) despite financial challenges. College Prep Scholars typically come from **households earning less than \$65,000 annually for a family of four** with minimal assets. Applicants must be planning to apply to college during the fall of their senior year. For more information on this program, please log onto <https://www.questbridge.org/high-school-students/college-prep-scholars>. The application is now open, and the deadline for students to apply is **March 21, 2018.**

2018 LA BioMed Summer Fellowship Program: This program provides Los Angeles County **graduating high school seniors and high school juniors** the opportunity to work in a biomedical research environment. Selected students will spend eight weeks assisting their assigned mentors, who are accomplished medical scientists involved in cutting edge biomedical research. The summer fellows are exposed to ongoing research projects and participate in a well-defined protocol that can be completed during the summer program. **Fellowships begin on Monday, June 18th, 2018 and continue through Friday, August 10th, 2018.** Further details about this opportunity can be found online at <https://labiomed.org/summer-fellowship>. To apply, go to <https://labiomed.org/summer-fellowship-application>. **Applications are due no later than March 21, 2018.**

The USC Center for Applied Molecular Medicine (Camm) and the Westside Cancer Center (WCC) of USC have developed a unique program to foster scientific achievement for **rising high school seniors** interested in **clinical or research oncology**. They believe that passion, coupled with outstanding aptitude, are the hallmarks for success. This program fosters scientific education by incorporating hands-on experimentation in a collaborative environment. The **application** consists of an essay and a copy of the student's transcript. The essay should be used as a forum to convey the student's passion for science/medicine. They will be accepting applications from **January 29th through April 5th, 2018.** The program begins on June 13th and requires the students to commit 6 hours a day until June 29th at the Health Science Campus of USC. Please contact Dr. Kian Kani (kani@usc.edu) for more information. **ONLINE APPLICATIONS CAN BE COMPLETED HERE:** www.BeARebel.org/junior-fellows-application
