

Semester 2 Graded Assignment: College – Keep It Coming
AVID 10 – Lancey

I. Purpose

As second semester sophomores, you will continue on your quest to gain valuable information about colleges. The College and Career Center (CCC) continues to be a resource, offering presentations on various topics. The more sessions you attend, the more knowledgeable you will be. You will visit another nearby institution and/or take advantage of our AVID college visits to complete this task. Using the internet and doing research will be a part of this semester, though it is a separate assignment. This graded assignment includes attending at least 1 CCC College Essentials Toolkit Presentation and doing another Live Campus Visit to a different 4-year institution.
