### **OUTSIDE OPPORTUNITIES**

**GIRLS WHO CODE** is a free introductory summer immersion computer science program for girls going into their junior or senior year of high school. During a seven week program, participants learn about computer science, gain exposure to tech jobs, and join a national sisterhood of girls who are using computer science to become change-makers. This program is hosted at major tech companies across the United States, so girls get a firsthand look at what it's like to work in computing and are able to envision their own futures in this field. For further information, please click on the following website: <https://girlswhocode.zendesk.com/hc/en-us/categories/202681357-Summer-Immersion-Program->

**USC LAWRENCE ELLISON INSTITUTE for TRANSFORMATIVE MEDICINE** is a free summer program to foster scientific achievement for rising high school seniors interested in clinical or research oncology. This program attempts to foster scientific education by incorporating hands-on experimentation in a collaborative environment. **Applications will be accepted through April 5, 2019.** The program will begin on June 11th and requires the students to commit 6 hours each weekday until June 28th at the Health Science Campus of USC. You can learn more about their Institute and program at <https://ellison.usc.edu/jrfellows/>

**2019 GREATER LOS ANGELES NACAC COLLEGE FAIR** will take place on **Tuesday, April 9, at the Pasadena Convention Center** from 9:00 am – 1:00 pm or 6:00 pm – 8:30 pm. Free and open to the public, NACAC fairs connect you to hundreds of colleges and universities in one location. Students may now register prior to the college fair and bring their printed or electronic barcode to the fair.
