## **OUTSIDE OPPORTUNITIES**

**GIRLS WHO CODE** is a free introductory summer immersion computer science program for girls going into their junior or senior year of high school. During a seven week program, participants learn about computer science, gain exposure to tech jobs, and join a national sisterhood of girls who are using computer science to become change-makers. This program is hosted at major tech companies across the United States, so girls get a firsthand look at what it's like to work in computing and are able to envision their own futures in this field. For further information, please click on the following website: <https://girlswhocode.zendesk.com/hc/en-us/categories/202681357-Summer-Immersion-Program->
