LINK CREW

Are you a current sophomore or junior (or know one) who...

- is enthusiastic and friendly
- wants to help welcome incoming freshman
- has a positive attitude
- respects diverse ideas and personalities
- is willing to take risks

Students and Parents, I'm excited to announce that Link Crew is looking for the leaders of the future. Link Crew is a nationwide program that helps freshmen enter high school with successful advice and help. We also provide activities to foster a positive school environment for everyone. You must be a current sophomore or junior to apply. If you think you could be a leader, get an application from pvhs.pvpusd.net **Miss Klabe in room 316** or email: seakinglinkcrew@gmail.com. **Applications are due by Friday, May 24th at 3pm. No exceptions. Need more info? Stop by Miss Klabe's class, 316, or send an email.**

Some info about Link Crew:

Leader Training and Orientation are mandatory. Training will be held **August 15th and 16th OR August 17th and 18th.** Orientation is **Tuesday, August 20th.** More information available on the application.

Link Crew is a high school transition program that welcomes freshmen and makes them feel comfortable throughout the first year of their high school experience. Built on the belief that students can help students succeed, Link Crew trains members of the junior and senior classes to be Link Leaders. As positive role models, Link Leaders are motivators, leaders and teachers who guide the freshmen to discover what it takes to be successful during the transition to high school and help facilitate freshman success.

More and more studies show that if students have a positive experience their first year in high school, their chance for success increases dramatically. The Link Crew high school transition program provides the structure for freshmen to receive support and guidance from juniors and seniors who have been through the challenges that high school poses, and understand that the transition to a larger school can sometimes be overwhelming.

Link Crew begins with a powerful orientation day that makes freshmen excited and proud to be attending their new high school and allows them to begin developing relationships and strategies that will contribute to their high school success.
