OUTSIDE OPPORTUNITIES

GIRLS WHO CODE is a free introductory summer immersion computer science program for girls going into their junior or senior year of high school. During a seven week program, participants learn about computer science, gain exposure to tech jobs, and join a national sisterhood of girls who are using computer science to become change-makers. This program is hosted at major tech companies across the United States, so girls get a firsthand look at what it's like to work in computing and are able to envision their own futures in this field. For further information, please click on the following website: <https://girlswhocode.zendesk.com/hc/en-us/categories/202681357-Summer-Immersion-Program->

SCHOLARSHIP OPPORTUNITIES and DEADLINES:

To access more information on these scholarships, please log onto NAVIANCE. Click on the COLLEGES tab and then scroll down to SCHOLARSHIPS and MONEY. Click on SCHOLARSHIP LIST. At this point, select the scholarship of interest. In many cases, you will be

directed to a website for the application. In other instances, you may be able to download the application directly from NAVIANCE. Should you have any questions, please contact Teresa Hoffman in the College and Career Center, Room 318.
