College and Career Center News

CLASS OF 2022 & 2023 - Take a FREE, PROCTORED, PRACTICE PSAT remotely in the safety of your home! Do not confuse this opportunity with the Official PSAT/NMSQT that is scheduled for January 26th! We understand that there are downsides to the in-person Official PSAT/NMSQT exam scheduled for January 26th (possible cancelations, several weeks/months to turn around scores) — so we are hosting a virtual, PRACTICE PSAT on January 9th that is open to all sophomores and juniors!

IMPORTANT!! This PRACTICE PSAT on January 9th IS NOT IN ANY WAY connected to National Merit Scholarship opportunities... this is only an opportunity to take a PRACTICE test!

Families will receive results promptly (within a week to 10 days!) and our students will be on track in terms of advising and considering how testing may or may not fit into their spring plans. Students can complete a no-cost, proctored PSAT with Compass Education safely and remotely and you'll have a score report back before the Official PSAT/NMSQT that should take place later in the month.

Students may use this opportunity as a practice to prep for the January 26th official PSAT/NMSQT, or simply to be exposed to and take a proctored PSAT and end up with a useful diagnostic assessment and practice score in hand. REGISTRATION: *Everything you need to take the test will be in the auto-generated confirmation email that you receive after completing the registration.* Students will be emailed their scores within ten days of testing, and

there is NO OBLIGATION to contact Compass Education for an explanation of the score report. [REGISTER HERE!](#) Registration closes January 2, 2021!
