OUTSIDE OPPORTUNITIES

ONIZUKA SPACE SCIENCE DAY will take place on Saturday, March 7, at El Camino College. The day is designed for serious-minded science students in grades 5 through 12. The whole event is FREE – including lunch for the first 900 students. This year's featured NASA Astronaut is Mark Vande Hei. He was the Flight Engineer for the Expedition crew that launched the International Space Station in 2017. He logged 168 days in space and ventured outside the space station on four spacewalks. Because of limited space, and to ensure a seat and early check-in, students should sign up now. To make reservations go to <http://www.elcamino.edu/academics/naturalsciences/onizuka-space-science-day/>

2020 THE LUNDQUIST INSTITUTE'S SUMMER FELLOWSHIP PROGRAM (previously LA BioMed) provides LA County graduating high school seniors and high school juniors the opportunity to explore careers in the field of biomedical science. Selected students will spend eight weeks assisting their assigned mentors, who are accomplished medical scientists involved in cutting edge biomedical research. Fellowships begin on Monday, June 15th, 2020 and continue through Friday, August 7th, 2020. Students will work full time and receive a total stipend of \$2,200. Students will be selected on the basis of merit. More information and applications can be found online at <https://lundquist.org/hssfp>. Applications are due no later than March 6, 2020.

USC LAWRENCE ELLISON INSTITUTE for TRANSFORMATIVE MEDICINE is a free summer program to foster scientific achievement for rising high school seniors interested in clinical or research oncology. This program attempts to foster scientific education by incorporating hands-on experimentation in a collaborative environment. **Applications will be accepted through April 2, 2020.** The program will begin on June 15th and requires the students to commit 6 hours each weekday until July 2nd. You can learn more about their Institute, program, and applications at <https://ellison.usc.edu/application/>

PVHS PTSA February Meeting

**PVHS PTSA General Meeting
Tuesday, February 25, 2020
9 a.m., in the MPR**

Come a little early and enjoy refreshments! Hear from PTSA members, administrators, teachers and students about all the great things that are happening at PVHS.

This month's special guest will be **PVHS AVID Instructor and Coordinator, and AP Capstone Seminar and Research Instructor, Jennifer Egan, who will join us to discuss PVHS' AP Capstone Program.**

The two-year AP Capstone program provides students with a unique opportunity to follow their own academic interests, as well as the opportunity to learn the skills necessary for research, writing and public speaking. The best part is that the driving force for this learning is the students' own interests. They explore subjects, topics and research questions that they find compelling. This is extremely powerful in helping students determine their college majors and future plans. As such, students can utilize their research in their college admissions essays and teachers can discuss this research in their recommendation letters. AP Capstone fills in the "gaps" of the transcripts and demonstrates the whole student.

Come find out more! We look forward to seeing you.

It's that time of year! Please see the attached [straw ballot](#) for the 2020-2021 PTSA Executive Board.

The PVHS PTSA election will take place on **March 24th** at the PVHS PTSA General Meeting.
