IMPORTANT YEARBOOK INFORMATION

Dear Sea King Families,

The school year of 2020-21 has proven to be a unique one but a year that will make history and what better way to capture all that you have endured than with the purchase of the Triton Yearbook. Especially for this year like no other, we have extended the \$140.00 price of this year's book, but only for a limited time. **This year we will need to confirm all yearbook sales by February 20th.** After that date, there will be no guarantee of yearbook availability. In this unsure and unusual time, we cannot gamble on sales at the end of the year nor can we rely on sales history. Do not miss this chance to purchase your yearbook.

We would love for you to be the owner of this book at the end of the 2020-21 school year so take action NOW!

Purchase your 2020-21 yearbook HERE by February 20th and before you miss the opportunity.

Counseling Office Updates

Attention Seniors. Congrats on making it through your first semester of senior year! Some of your colleges may now require that you send them a midyear transcript, but not all colleges require it. We recommend checking your common app list or your college student portal to see if a midyear report is required.

To order midyear transcripts please go to your counselor's senior google classroom to access and submit the midyear transcript form. Your counselor will be submitting midyear transcripts the week of January 18th, as soon as transcripts are finalized. If you have questions or need help please contact your counselor directly.

Attention Sophomore Parents:

The counselors will host a sophomore parent webinar on Wednesday January 20th at 5:30pm. At this presentation we will review important information relating to graduation requirements, college requirements, admissions testing, post-secondary options, and planning. We will also be discussing the upcoming Sophomore Counseling Meetings that will be held throughout the month of March.

At the sophomore counseling appointments, sophomores and their parents will have an opportunity to schedule an individual meeting with their child's counselor to review course planning for junior and senior year as well as to plan for post secondary options. Information on signing up for these meetings will be reviewed at the parent presentation on January 20th.

We hope you can attend the webinar presentation! To register for the webinar click here:
