COVID Updates

In alignment with LA County guidelines and Dr. Cherniss' email, PVHS will require masking indoors, including all classrooms, offices, and facilities. Masks are now optional outdoors on campus. It is strongly recommended that masks be worn at crowded outdoor events and in other outdoor spaces where distancing is not possible.

Green Screen Clearance

All students must present their "Green Screen" clearance when they arrive on campus each day. We recommend that anyone coming to campus fill this out at home and take a screenshot of the clearance screen so they do not have to fill it out while on campus.

Lastly, please do not send your student to campus if they are sick, experiencing symptoms of COVID-19, or are currently under quarantine.

PVPUSD Testing Location Today: Peninsula High School 12pm-4:45pm
For more information, please visit the [testing website here](#). Masks are required at testing sites.

If your student tests positive for COVID-19, please call the school immediately.

The graphic features a red horizontal bar at the top. Below it, the text "Why Advocate?" is displayed in a blue font. Underneath, a quote reads: "Unless someone like you cares a whole awful lot, Nothing is going to get better. It's not." followed by "- Dr. Seuss, The Lorax". Below the quote is an illustration of five hands of different colors (red, orange, yellow, green, blue) raised in a gesture of advocacy. The main body of the graphic contains text explaining the PTSA's mission and providing a link for feedback.

PTSA is a student and child advocacy association. Its mission is to advocate on behalf of youth to improve student outcomes academically, socially and emotionally.

We want to hear from you! The PVHS PTSA promotes and encourages parent and student involvement in the process of identifying potential areas where the PTSA can help support and/or facilitate improving student outcomes (academically, socially, emotionally) at PVHS. We welcome hearing from you on issues / areas of suggestion that you are facing as a student and/or parent so that we may explore taking action to affect change for the student population at PVHS as a whole.
