COVID Updates

In alignment with LA County guidelines and Dr. Cherniss' email, PVHS will require masking indoors, including all classrooms, offices, and facilities. Masks are now optional outdoors on campus. It is strongly recommended that masks be worn at crowded outdoor events and in other outdoor spaces where distancing is not possible.

Green Screen Clearance

All students must present their "Green Screen" clearance when they arrive on campus each day. We recommend that anyone coming to campus fill this out at home and take a screenshot of the clearance screen so they do not have to fill it out while on campus.

Lastly, please do not send your student to campus if they are sick, experiencing symptoms of COVID-19, or are currently under quarantine.

PVPUSD Testing Location Today: Peninsula High School 12pm-4:45pm
For more information, please visit the [testing website here](#). Masks are required at testing sites.

If your student tests positive for COVID-19, please call the school immediately.

While test scores & grades can reveal qualities of a student, a college interview is a great way for a student to bring insight into who they are as a person and what they'll bring to an institution. Interviews aren't built to make or break your admissions to a university, but a good interview and a great impression can be an added bonus to an admissions file. Join us in the CCC @ lunchtime on Friday for tips which should help you ace the interview!
