### COVID Updates

All students must present their "Green Screen" clearance when they arrive on campus each day. We recommend that anyone coming to campus fill this out at home and take a screenshot of the clearance screen so they do not have to fill it out while on campus.

### Green Screen Clearance

Additionally, in alignment with PVPUSD protocols, PVHS will require masking at all times while on campus with the exception of eating, drinking. Students will be allowed mask breaks if they are outside and more than 6 feet away from other individuals.

***Lastly, please do not send your student to campus if they are sick, experiencing symptoms of COVID-19, or are currently under quarantine.***

**PVPUSD Testing Location Today:** Peninsula High School 12pm-5pm in front of the Kelly Johnson Fieldhouse (Drive thru or walk up available)

**If your student tests positive for COVID-19, please call the school immediately.**

AP Testing registration for May 2022 is now open! Please click below to review detailed information and step by step instructions for registering and paying for exams. Please note, this year, all students' accounts are automatically set to "YES" for their exam registration. This does not mean that all students must take the test. If a student is not planning on taking the AP test, students should manually go in and adjust their exam status to "NO". This must be completed by November 10th or it will be assumed that the student is taking the test and the \$40 cancellation fee will apply.
