COVID Updates

All students must present their "Green Screen" clearance when they arrive on campus each day. We recommend that anyone coming to campus fill this out at home and take a screenshot of the clearance screen so they do not have to fill it out while on campus.

Additionally, in alignment with PVPUSD protocols, PVHS will require masking at all times while on campus with the exception of eating, drinking. Students will be allowed mask breaks if they are outside and more than 6 feet away from other individuals.

Lastly, please do not send your student to campus if they are sick, experiencing symptoms of COVID-19, or are currently under quarantine.

PVPUSD Testing Location Today: PV Peninsula High School 12pm-5pm in front of the Kelly Johnson Fieldhouse (Drive thru or walk up available)

If your student tests positive for COVID-19, please call the school immediately.

Freshmen Class President Elections

Any freshman interested in running for office, there will be a brief meeting on Wednesday, September 8th at lunch in Room 302.

Baseball Team Tryouts

Students interested in trying out for baseball this year to pick up an information form from my classroom (309) and return it by Wednesday September 15th.

School Site Council Updates

Are you interested in serving on the PVHS School Site Council? We are looking for three parent volunteers to become a member for a two-year term.

School Site Council provides important guidance in the operations of our campus and implementation of state-mandated school plans. This school year we will meet on Sept. 20th, November 1st, January 31st, and April 11th from 3-5pm. The September meeting will be held via Zoom.

If you are interested, please email your name and a very brief statement on why you would like to be considered for this council to Jeanne Delorenzo delorenzj@pvpusd.net by Thursday, Sept 9th.

Names and statements received will be in the SSC section on our PVHS website and in our communications from September 13-17 for an email election. All those involved will receive an email on September 18th with the election results. If you are elected, please plan on attending the Zoom meeting on Monday, September 20th.

AP Testing

AP Testing registration for May 2022 is now open! Please click below to review detailed information and step by step instructions for registering and paying for exams. Please note, this year, all students' accounts are automatically set to "YES" for their exam registration. This does not mean that all students must take the test. If a student is not planning on taking the AP test, students should manually go in and adjust their exam status to "NO". This must be completed by November 10th or it will be assumed that the student is taking the test and the \$40 cancellation fee will apply.
