OUTSIDE OPPORTUNITIES

MAKING CARING COMMON'S YOUTH ADVISORY BOARD 2023 is a diverse group of **high school students from across the country** who are committed to making schools more **caring and respectful places through everyday interactions**. Members guide our understanding of and help devise solutions to the most pressing moral issues and social challenges of their peer groups, such as bullying and exclusion. The **Making Caring Common Project** is looking for young people with the following characteristics:

- Passion for making their school and community kinder and more inclusive
- Creativity about ways to connect with young people
- Ability to inspire other youth and adults to action
- Excellent communication and organization skills
- Demonstrated commitment to the following values: caring, responsibility toward others, and justice

They are particularly interested in including young people who are not typically identified as leaders in their schools, those who may be socially marginalized, and those who represent minority groups within their school community. **Apply for the 2022/2023 Youth Advisory Board [HERE!](#) Application open until January 3, 2023.**

PVP CHAMBER OF COMMERCE YOUNG ENTREPRENEURS ACADEMY is continuing the innovative **Young Entrepreneurs Academy** with programming beginning in February 2023. The PVP Chamber of Commerce will host an informational meeting on **Thursday, January 12, at lunchtime in the College and Career Center, Room 318.**

This is an innovative and exciting after school program that transforms local middle and high school students into real, confident entrepreneurs. Through this program, students in grades 7 - 12 **work closely with local business leaders to cultivate and research business ideas, write business plans, pitch to a panel of investors, obtain funding, develop their brand, and launch their business or social movement**. By learning entrepreneurial skills before they exit high school, the students develop not only the business and social skills so often attributed to entrepreneurship, but the mindset that will help them achieve success with, and bring innovation to, all their future endeavors.

SCHOLARSHIP OPPORTUNITIES and DEADLINES:

Please make note of the following **DEADLINES** through **MARCH 1** noted in **RED**.
