COVID Updates

In alignment with Dr. Cherniss' email, PVHS will require masking indoors, including all classrooms, offices, and facilities. Masks are also required outdoors on campus. Our priority is to educate students and minimize disruption. Though inconvenient for some, masking on campus will assist with this priority.

Green Screen Clearance

All students must present their "Green Screen" clearance when they arrive on campus each day. We recommend that anyone coming to campus fill this out at home and take a screenshot of the clearance screen so they do not have to fill it out while on campus.

Lastly, please do not send your student to campus if they are sick, experiencing symptoms of COVID-19, or are currently under quarantine.

PVPUSD Testing Location Today: Miraleste Intermediate School 12:00pm-4:45pm or while supplies last. For more information, please visit the [testing website here](#). Masks are required at testing sites.

If your student tests positive for COVID-19, please fill out the PVHS Covid Positive Reporting Form immediately.

Counseling Office Updates

Scheduling for the 2022-2023 School Year

PVHS families will receive scheduling materials in the mail this week for your students to pick their classes for the 2022-2023 school year. Please review the enclosed information carefully. Included in this packet are:

1. Cover letter with instructions which includes the teacher's recommendations for next year's classes in English, Math, and Foreign Language
2. Scheduling Worksheet
3. Aeries Course Request Instructions (to be done on the Student's Aeries Portal)
4. Four-Year Plan Worksheet

Please support your student(s) by reviewing these materials with them. The Aeries window will be open for students to enter their course requests until Sunday night, February 20th. Once students have completed inputting their course request, they must submit their Scheduling Worksheet and Four-Year Plan Worksheet to their counselor's box in the Counseling Office. Parent/guardian signature is required on both forms.

Junior Guidance Lessons: February 2nd, 3rd, and 4th

Juniors will receive their Guidance Lesson in their English class from February 2-4. This presentation focuses on beginning preparations for plans after high school, college research, laying the groundwork on preparing for the application process, and what to do in the coming months. Counselors will meet with Junior students later in February to review their Four-Year Plan and Scheduling Worksheets.

Junior Parent Presentation: February 9th at 5:30 pm

Following the Junior Guidance Lessons 11th-grade students receive, the parent presentation mirrors much of this information. Parents will be provided with an introduction to beginning preparations on supporting their child with post-secondary planning, researching colleges, the application process, and what to expect in the coming months leading up to summer and your child's Senior year.

Due to the current state of COVID, we will hold these meetings virtually via Webinar. Please see below to register:

https://us02web.zoom.us/webinar/register/WN_STaz0x9gRgaULH9cQyf60A

AVID Presentations: February 9th

Counselors will visit all AVID 9-12 grade classrooms to visit with students and discuss their course planning and pathway for the next school year. Counselors will work with students on their scheduling worksheets and answer any questions students have.

Elective Fair: February 11th, 15th & 16th

On February 11 & 15, Live from 205 will air its first-ever Elective Fair showcasing many of the classes offered at PVHS. This is a great opportunity for students to tune in and listen to what teachers and students have to say about the different experiences in their classes. You will hear from the Sciences, Math, World Language, Art, Social Sciences, and many more departments. On February 16,

many of these electives will host a table in Sea King Park at lunchtime for you to walk around and learn more about these classes and get questions answered. Take advantage of this opportunity as you think about what classes may interest you for next year!

Sophomore Guidance Lessons: February 14th and 15th

Sophomores will receive their Guidance Lesson in their English class on February 14-15. This presentation focuses on beginning to think about post-secondary planning, the four-year plan, how to begin thinking about college, college and career goals, as well as discussing Junior year. Counselors will meet with Sophomore students and their parents/guardians during the month of March via Individual Meets to review the Sophomore Packet which includes the student's transcript, high school graduation requirements, college subject eligibility, four-year plan, schedule for Junior year, and more. The parent/guardian will have the opportunity to sign up for the individual appointment following their parent presentation.

Sophomore Parent Presentation: February 16 at 8:30 & 5:30

Following the Sophomore Guidance Lessons 10th-grade students receive, the parent presentation mirrors much of this information. Parents will be provided with an introduction to post-secondary planning, the four-year plan, helping your student think about their college and career goals, supporting their child toward high school graduation and college entrance eligibility, and more. There are two essential components of the Sophomore Counseling Program:

1. **Group Presentation:** Provides general information pertinent to all students. There will be two group presentations offered, but please only attend one. Due to the current state of COVID, we will hold these meetings virtually via Webinar.
2. **Individual Meeting:** Each student and their parent/guardian have the opportunity to sign up for a 15-minute counseling meeting with their counselor at the conclusion of the group presentation. Parents/guardians must attend one of the group presentations to access a link to schedule the individual meeting with their counselor.

Please see below to register for one session only. Both sessions will cover the exact same information.

Why Advocate?

"Unless someone like you cares
a whole awful lot, Nothing is
going to get better. It's not."
- Dr. Seuss, The Lorax

PTSA is a student and child advocacy association. Its mission is to advocate on behalf of youth to improve student outcomes academically, socially and emotionally.

We want to hear from you! The PVHS PTSA promotes and encourages parent and student involvement in the process of identifying potential areas where the PTSA can help support and/or facilitate improving student outcomes (academically, socially, emotionally) at PVHS. We welcome hearing from you on issues / areas of suggestion that you are facing as a student and/or parent so that we may explore taking action to affect change for the student population at PVHS as a whole. To provide your feedback, please submit your questions/issues/suggestions

here: <https://www.memberplanet.com/s/pvhigh/pvhsptsasuggestionbox>

Any and all suggestions welcome!
