COVID Updates

In alignment with LACDPH and Dr. Cherniss' email, indoor masking for students and staff at PVHS will shift from required to strongly recommended, irrespective of vaccine status. While daily symptom checks are still required, the district has shifted to an at-home screening model. Please complete the daily symptom check each morning, prior to arrival. The daily symptom checklist can be accessed below.

Lastly, please do not send your student to campus if they are sick, experiencing symptoms of COVID-19, or are currently under quarantine.

For information and the schedule for the PVPUSD testing, please visit their website [here](#).

COVID Positive Reporting Form

To streamline communication for COVID case reporting, we are asking families to fill out the form below if their students test positive for COVID. This will also be a way for us to respond much more efficiently and effectively to our students and families. Please click the linked form below to notify us of your PVHS student's positive results.

PVHS COVID Reporting Form

A PVHS administrator will be in touch with the family regarding the next steps after completing the form.

All students should check their MyAP.collegeboard.org account and Total Registration account for their specific testing schedule including dates, times, and testing location on campus. Students are also encouraged to continually check their email addresses associated with their Collegeboard and Total Registration accounts for additional updates that will be sent out from the school and Collegeboard.
