10:08 – 12:12 – Period 5
12:12 – 12:43 – Lunch
12:52 – 2:45 – Period 6

COVID Updates

In alignment with LACDPH and Dr. Cherniss' email, indoor masking for students and staff at PVHS will shift from required to strongly recommended, irrespective of vaccine status. While daily symptom checks are still required, the district has shifted to an at-home screening model. Please complete the daily symptom check each morning, prior to arrival. The daily symptom checklist can be accessed below.

Daily Symptom Checklist

Lastly, please do not send your student to campus if they are sick, experiencing symptoms of COVID-19, or are currently under quarantine.

For information and the schedule for the PVPUSD testing, please visit their website here.

COVID Positive Reporting Form

To streamline communication for COVID case reporting, we are asking families to fill out the form below if their students test positive for COVID. This will also be a way for us to respond much more efficiently and effectively to our students and families. Please click the linked form below to notify us of your PVHS student's positive results.

PVHS COVID Reporting Form

A PVHS administrator will be in touch with the family regarding the next steps after completing the form.

AP Testing Updates

We wanted to remind all of our families of some important steps that need to be taken to ensure your student is prepared.

All students should check their MyAP.collegeboard.org account and Total Registration account for their specific testing schedule including dates, times, and testing location on campus. Students are also encouraged to continually check their email addresses associated with their Collegeboard and Total Registration accounts for additional updates that will be sent out from the school and Collegeboard.

To view the PVHS AP Exam schedule click here.

IN PERSON EXAM INFORMATION

All students should arrive at least 30 minutes before the start of the exam to their assigned testing room. Students should bring with them the following supplies:

- Number 2 Pencil with eraser
- Pen with black or blue ink
- School ID or some form of identification
- Approved calculator if needed for exam
- Water
- Snack

Additional reminders will be sent to all students and families as we get closer to the start of testing. If you have any questions, please email your student's AP teacher or Dr. Hardage at hardagek@pvpusd.net

Class of 2022 Update

Seniors... There are many activities that honor and reward you for your four arduous years of high school. Parents may share in some of them, while others are reserved exclusively for students. It is our intent, through this Senior Packet, to acquaint you with all the activities which your son or daughter can attend, and those in which parents can attend. Please review this packet with your son or daughter.

Class of 2022 Senior Packet

PVHS ADVANCED PROJECTS SHOW

April 15-May 9, 2022
Peninsula Library Lobby
RECEPTION: Friday, April 29, 2022

Come meet and support the PVHS students in celebrating their artwork at the Peninsula Library, Friday, April 29th from 3:45-5 pm. Each artist has curated a display of their artwork to share with the community. Artwork ranges from photography, fine & digital art, to costume design. Check out the show!

Musical Theater Auditions

Do you love to sing and dance? Auditions for Musical Theater Class are right around the corner! For more information on the auditions and application, please visit pvhsdrama.com.

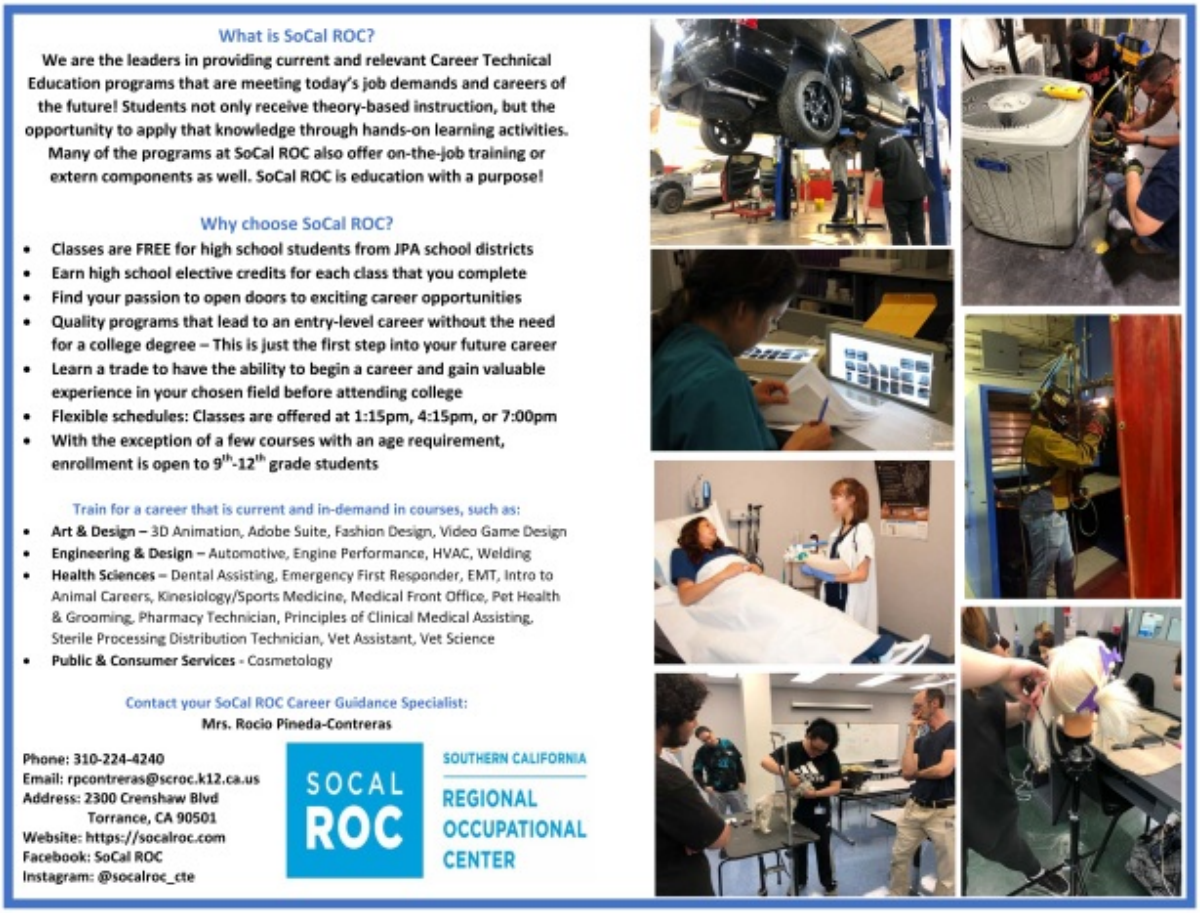
The Independent Study PE packets for the 22-23 school year are now available on the the District's website. All applications are **due by August 10th, 2022** for students to be eligible for the first semester. Applications can be turned into the main office.

ISPE Application

Counseling News

Southern CA Regional Occupational Center Fall Schedule

The new SoCal ROC Fall 2022 semester schedule will be available on **Tuesday, April 26th** in the counseling office! Earn high school elective credits while learning valuable skills that prepare you for college and/or an entry-level career! Courses are after school and FREE for high school students! Your SoCal ROC career guidance specialist is available to answer any questions in the counseling office every Tuesday during 2nd/5th period. Add your name to the sign up sheet in the counseling office to meet with her ASAP!



College and Career Center News

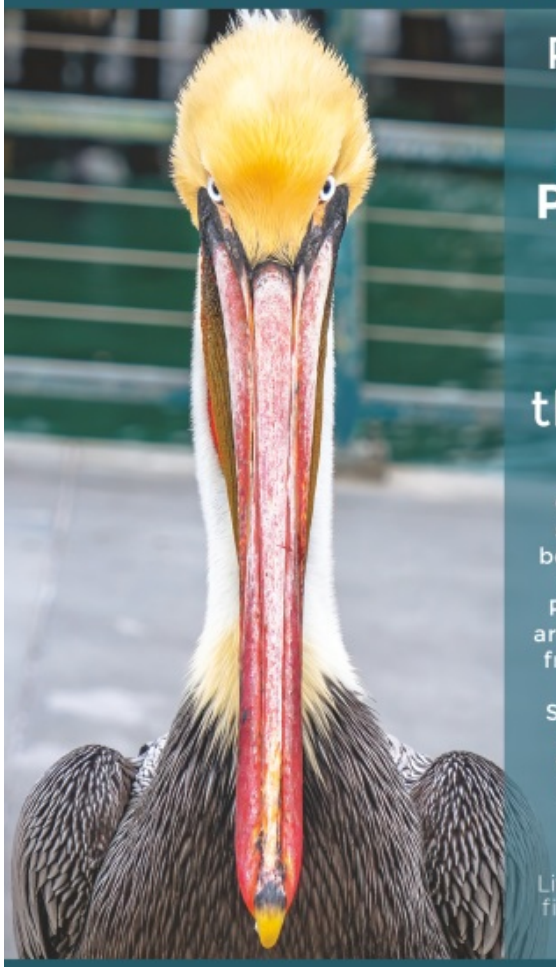
OUTSIDE OPPORTUNITIES

STUDENT ELECTION WORKER PROGRAM coordinated by the Registrar-Recorder/County Clerk would like to encourage students of 16 years of age or older to volunteer as a student election worker for the upcoming **June 7 Statewide Direct Primary Election**. All students who are placed are required to attend two training sessions (one in-person and one online session) prior to their assignment. **Participating students will select a 3-day work assignment (one day includes June 7 during FINALS WEEK)**. Students are assigned to a precinct in close proximity to their home or school. In addition to gaining an invaluable learning experience about the democratic process, students receive $100 each day they serve as an election worker and an additional $80 bonus for attending a mandatory training class for a total of $380. Any high school student that meets the following requirements may apply:

·Must be a U.S. Citizen or Legal Permanent Resident AND 16 years of age
·Must be attending a public/private secondary institution
·Must be in good academic standing with a GPA of 2.5 or greater
·Must have teacher AND parental consent

Deadline to apply has been extended indefinitely. Applications are submitted online and must be requested from Teresa Hoffman at hoffmant@pvpusd.net

CALLING ALL HIGH SCHOOL STUDENTS!



PV Magazine is hosting our 2nd Annual **High School Student Photography Contest!**

"The Wild Side of the Peninsula"

PALOS VERDES PV MAGAZINE

Our beautiful Palos Verdes Peninsula and the surrounding South Bay has some of the most beautiful landscape in the world. It is also home to a large variety of wildlife. From incredible Peregrine Falcons and peacocks that meander around our neighborhoods to horses that we call friends, nothing is off limits. Send us your best!

Students will be asked to submit no more than 2 entries each with a brief description about the undomesticated animal, its common and scientific name, where the photo was taken and a brief description about the photo.

Definition of Wildlife
Living things and especially mammals, birds, and fishes that are neither human nor domesticated

https://palosverdesmagazine.com/student-photography-contest2022

First place Winner: $150 Visa Gift Card and photo featured in PV Magazine print and digital
Second place Winner: $75 Visa Gift Card and photo featured in PV Magazine print and digital
Third place Winner: $50 Visa Gift Card and photo featured in PV Magazine print and digital

Photos will be judged blindly by:

Erik Jay, Featured photographer of the book, *Palos Verdes, The Great Peninsula*

Megan Mickael, Photographer and Owner of Studio 347 Gallery in San Pedro

Amber Beccera, President and Chief Executive Officer of the Marine Mammal Care Center

The "The Wild Side of the Peninsula" photography contest is not related to, sponsored by or endorsed by the Palos Verdes Peninsula Unified School District.

PVNet & Academy for STEM

SUMMER 2022 COURSES

Please join us in thanking our wonderful principals for sharing this announcement!

WIZARDS WITH CODE

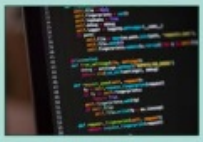
Become a Wizard this Summer at PVNet

Robotics & Coding With Python
Ages 13-17
Top pick for Engineering majors. Learn to build & code a robot from scratch.

VR Game Design for Oculus Quest II
Ages 12-17
Top pick for Game Design. Learn to use Unity 3D & Blender

Java 1 - Introduction
Ages 13-18
Top pick for Computer Science majors.Get a solid Java foundation

Python for Beginners
Ages 13-17
Top pick for Bio & Sci majors. Learn the basics of Python coding.



Minecraft Modding With Java
Ages 12-17
Create awesome Minecraft mods and learn Java.

STEM University
Ages 9-12
A fantastic intro to many STEM subjects including Game Design, 3D Printing, & Coding.

Research & Internships

AWS Development & Advanced Computer Science
This professional-level internship teaches students programming in Web App Architecture, , MYSQL database rendering and more!
(AWS = Amazon Web Services)
Ages 14-18

Research & Innovation - Design A Dog Wheelchair
A fantastic project to include in a college packet and resume!
Ages 14-18

Internship for Science & Engineering Fair Project Development & Preparation
Discover your STEM pathway with a Science & Engineering Project Development Internship! Full access to PVNet resources & mentors to guide you on your journey.
Ages 14-18

Internship - High School & College Professional Development Internship
Individualized learning paths upon request

Audio & Video Production

Returning Video Production students ages 15+ can apply for a free internship!

Video & Documentary Production
Ages 12 +

Audio Recording & Music Production
Ages 12 +

Future Engineers

Robotics | Coding | Engineering

Asteroid Laser Defense Project
Ages 12-18
Design & Build a robotic laser defender like NASA!

Beginning Robotics & Python
Ages 12-18
Learn by making & programming a robot.

Drone Programming With MIT Scratch
Ages 12-18
The pre-cursor to drone swarms. An Incredible experience!

Intermediate Robotics, Drones & Python
Ages 12-18
Drones are everywhere in your the future - be part of it now!
