## **COVID Updates**

In alignment with LACDPH, indoor masking for students and staff at PVHS will be strongly recommended, irrespective of vaccine status. While daily symptom checks are still required, the district has shifted to an at-home screening model. Please complete the daily symptom check each morning, prior to arrival. The daily symptom checklist can be accessed below.

## **COVID Positive Reporting Form**

To streamline communication for COVID case reporting, we are asking families to fill out the form below if their students test positive for COVID. This will also be a way for us to respond much more efficiently and effectively to our students and families. Please click the linked form below to notify us of your PVHS student's positive results.

#### Why Advocate?

"Unless someone like you cares  
a whole awful lot, Nothing is  
going to get better. It's not."  
- Dr. Seuss, The Lorax

PTSA is a student and child advocacy association. Its mission is to advocate on behalf of youth to improve student outcomes academically, socially and emotionally.

We want to hear from you! The PVHS PTSA promotes and encourages parent and student involvement in the process of identifying potential areas where the PTSA can help support and/or facilitate improving student outcomes (academically, socially, emotionally) at PVHS. We welcome hearing from you on issues / areas of suggestion that you are facing as a student and/or parent so that we may explore taking action to affect change for the student population at PVHS as a whole.
