COVID Updates

In alignment with LACDPH, indoor masking for students and staff at PVHS will be strongly recommended, irrespective of vaccine status. While daily symptom checks are still required, the district has shifted to an at-home screening model. Please complete the daily symptom check each morning, prior to arrival. The daily symptom checklist can be accessed below.

Lastly, please do not send your student to campus if they are sick, experiencing symptoms of COVID-19, or are currently under quarantine.

COVID Positive Reporting Form

To streamline communication for COVID case reporting, we are asking families to fill out the form below if their students test positive for COVID. This will also be a way for us to respond much more efficiently and effectively to our students and families. Please click the linked form below to notify us of your PVHS student's positive results.

LA County Superintendent Student Advisory Council

Los Angeles County Superintendent of Schools Debra Duardo is inviting students to apply for the 2022-23 Superintendent Student Advisory Council. The Superintendent Student Advisory Council was formed to bring students' views into conversations and decision-making about public education. We are looking for a diverse representation of student voices to ensure we hear from students of all achievement levels, especially those with real-world experiences who want to see a positive change in education.

The Superintendent's Student Advisory Council will include students from public high schools throughout Los Angeles County. They will engage in dialogue with Superintendent Duardo on educational equity, the quality of public education, student wellbeing and other topics of concern, advising her on key issues facing youth.

Students are currently being recruited to apply to serve on the advisory council. The group will meet virtually on a quarterly basis beginning Fall 2022 from 3:30 p.m to 5 p.m.

Interested students will need to complete an application. They will also be required to submit a parent legal/guardian consent form to participate.
