Greetings Sea King Parents,

As finals are approaching, we wanted to provide parents with some suggestions on how to best help their students navigate exam season.

Things you may notice in your child:

- Increased stress
- Irritability
- Distractedness
- Procrastination/ changes in motivation

Strategies for aiding your student in managing stress:

- Provide balanced meals and adequate nutrition
- Encourage mental breaks throughout the day
- Promote adequate sleep and rest
- Encourage movement and exercise
- Be mindful of the frequency in which you discuss academics with your student
- Show interest in student's mental well-being with regular check-ins
- Open a space for students to share their feelings, and honor what comes up for them. ALL feelings are valid
- Allow time for students to decompress and make time for other activities outside of school and studying

Remember, this experience is temporary, and this too shall pass.

Happy Holidays from the PVHS SAGE Therapists!

**WITH YOUR SUPPORT AND GENEROSITY,
OUR STUDENTS RECEIVE AN EXCELLENT EDUCATION!**

California ranks among the lowest in the nation in public school funding. With the passage of Prop. 13 in 1978, the funding methods for education in California were turned upside down. Now, after all this time, our public schools remain underfunded.

Your donation to PEF funds critical programs, staff and teachers that strengthen the academic journey of all PV High students:
