November 9, 2023

Dear County and District Superintendents, Charter School Administrators, High School Principals, Counselors, and Scholarship Coordinators:

2024 Asian Pacific Youth Leadership Project

I am requesting your help informing your students about an opportunity to attend a statewide conference sponsored by the Asian Pacific Youth Leadership Project (APYLP), a nonprofit organization.

The APYLP works with Asian and Pacific Islander students in California to build on their understanding of what it means to be Asian and Pacific Islander American youth in today's culturally and ethnically diverse society. The APYLP High School Conference offers group workshops on leadership development, cultural identity and awareness, the legislative process, and public speaking skills as well as an opportunity to participate in mock legislative sessions and to hear from elected officials and prominent speakers from the Asian and Pacific Islander communities.

Fifty juniors and seniors will be selected from the statewide applicants to participate in this conference from March 21–24, 2024, in Sacramento. The APYLP will pay all expenses for the participants, including travel, lodging, and meal expenses, through sponsorships from private corporations, higher education institutions, professional organizations, and other individuals.

The organization is especially interested in reaching students who have leadership potential but have difficulty developing or realizing that potential due to language, economic, cultural, or other barriers. Applications must be submitted or postmarked no later than December 2, 2023.

The APYLP is celebrating its thirty-fourth anniversary in 2024 and could not have achieved its successes without the support of California educators over the years. For more information and to download an application, visit the APYLP website at <https://www.apyyp.net/>.

Thank you for your assistance in promoting this wonderful opportunity for our students.

Sincerely,

A handwritten signature in blue ink that reads "Tony Thurmond".

Join us for a free movie screening of "Screenagers: Under the Influence"

Beach Cities Health District (BCHD) and South Bay Families Connected are partnering with Hermosa Beach City School District and Manhattan Beach Unified School District to host community showings of the documentary, "Screenagers: Under the Influence," a film that delves into how the tech revolution has reshaped adolescence and its effects on substance use.

Students and families are invited to attend an informative and entertaining film experience that focuses on practical solutions for keeping teens safe in a changing world. The film debunks myths and depicts strategies parents and schools can use to encourage healthy decision-making, support teen mental health, set limits and create healthy home environments. The film also includes many ways young people are using their wisdom and strength to help each other and themselves through this complicated terrain around substance use.

Attendees will have the opportunity to take home a free Narcan (common brand name of naloxone) kit. Naloxone is a life-saving opioid reversal medication when administered immediately after a potential opioid overdose. BCHD's supply of naloxone is provided by the California Department of Health Care Services' Naloxone Distribution Project.

Proposition 28 Survey

We invite you to participate in a brief Proposition 28 survey, which is linked below and on the district website on our [website](#). The proposition aims to provide approximately \$1 billion annually to California public schools to enhance arts and music programming for students from pre-K through 12th grade. For PVPUSD, the estimated allocation for the 2023-24 year is \$1.2 million, which is projected to arrive in March. Your valuable feedback will guide further discussions and aid in the decision-making process regarding district and school priorities. The survey closes on November 28th.
