**Parent/Student/Employee LCAP Survey - We Want to Hear from You!**

Annually, the District conducts a survey to gather information from a variety of educational partners regarding the PVPUSD learning environment that contributes to the production of high academic achievement levels for all students.

This LCAP survey is anonymous, and the collective results will be shared during Local Control Accountability Plan (LCAP) meetings to guide local priority development, actions, expenditures, and services related to the conditions of learning, achievement outcomes, safety, and educational partner engagement. We value each respondent, and it is important that we get a representative sample from our community.

We have separated the surveys into categories which include Parent/Guardian, Employees (certificated and classified), Elementary Students (grades 3-5), and Secondary Students (grades 6-12). Please click on the link applicable to you to complete the survey(s) and/or to assist your student in completing the survey. Your responses will help guide the funding priorities for the Palos Verdes Peninsula School District. Surveys will close on January 23, 2023.
