Principal's Advisory Committee: Now Accepting Applications

The Principal's Advisory Committee, or PAC, is now accepting applications from interested students. The PAC is a group of students that works directly with Dr. Ramirez to provide a link between the administration and the student body. Members of PAC earn a unique leadership experience and develop a close connection to the administration and the principal.

PAC members ensure that the voices of the students are heard regarding school policy, campus climate, and budget issues. Members of PAC also serve as representatives for the school, speaking to prospective students and their parents, visiting groups, and at area conferences.

PAC is an application-only group and is limited to four members per grade level.

Click **HERE** to access the PAC application.

The **application deadline** is **Tuesday, November 12th** and the first meeting will be held the week of November 18th at lunch.

A Mansion. A Murder. A Mystery.

Trust no one when CLUE comes to the PV High Stage

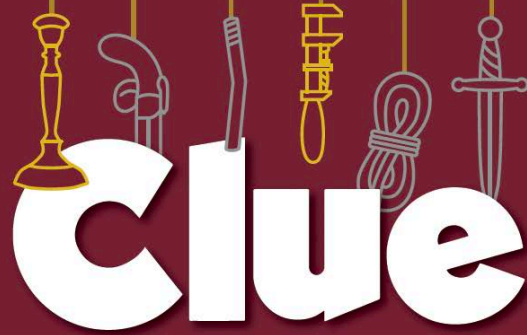

Murder and blackmail are on the menu when six mysterious guests assemble at Boddy Manor for a night they'll never forget. Was it Mrs. Peacock in the study with the knife? Or was it Colonel Mustard in the library with the wrench? Based on the fan-favorite 1985 Paramount Pictures movie and inspired by the classic Hasbro board game, Clue is the ultimate whodunit that will leave you dying of laughter and keep you guessing until the final twist. Performances run November 8-9 and 15-16 at 7:00pm, November 10th and 17th at 2:00pm, and November 14th at 4:00pm. Tickets are \$25 and may be purchased online at www.pvhsdrama.com.

Sea Kings!

In case you missed it, here is the latest edition of **Counseling Can't Miss of the Month for November!**

Counseling Can't Miss VIDEO LINK

Mr. Hill and Mrs. Shulman reviewed the can't miss events of the month, including:

There are 7 weeks left in the semester!

November 12-15 - Final Interims come out for students with a D or F in a class, or C in an honors or AP class.

Need support in a class in the last 8 weeks of the Semester?

Consider Math Lab, Core Skills Training, or come to the counseling office for a copy of the peer tutor list!

Math Lab (Free Peer Math Tutoring during lunch)

Who can attend? Any student can attend Math Lab! Math Lab provides drop-in tutoring, and students can bring homework, study guides, or any other materials they want to work with a tutor one-on-one. Once a student comes in the door, one of the staff gets them partnered with an appropriate tutor.

Who are the tutors? Math Lab Tutors apply and are selected from high level math classes, including AP Calculus BC, AP Calculus BC, AP Statistics, and PreCalculus Honors. Once selected, each tutor must attend at least 70% of Math Labs sessions at lunch. If they do, they are able to add "Peer Tutor" to their transcript.

Other benefits are there from Math Lab? This year, our amazing PVHS math department teachers have come together to help grow and expand Math Lab. All non-honors/AP math teachers, are offering one 1 extra credit point for every Math Lab attended. These classes are listed below:

- Algebra 1
- Geometry
- Algebra 2

- Pre Calc
- Pre Calc with Limits
- Statistics

Core Skills Training (CST) - After-school small group instruction on core concepts of the subject by a PVHS teacher.

Algebra 1 Training Sessions are on: Monday and Wednesday

Geometry Training Sessions are on: Tuesdays and Thursdays

Algebra 2 Training Sessions are on: Wednesdays

English 1 Training Sessions are on Tuesdays and Wednesdays

Email your counselor if you are interested in attending CST!
