**Important Facts**  
**Why Breakfast is Important**  
**March 4-8, 2024**

**Monday:** Are you feeling tired? Maybe that's because you aren't eating breakfast! Come to the cafeteria every morning to get your breakfast and start your day off right!

**Tuesday:** Eating breakfast improves concentration and focus. When you're hungry, it's harder to concentrate. Your body and brain are craving nutrients, so it's important to start the day by refueling with nutritious foods like milk, fruits, and whole grains.

**Wednesday:** Start your day off with breakfast. Eating a nutritionally balanced breakfast can support brain activity that helps control emotions, moods, expectations, behaviors, decision making skills, and cognition.

**Thursday:** People who don't eat a healthy breakfast are more prone to unhealthy snacking choices. After a long night's sleep our body craves food. Common breakfast foods like yogurt, oats, fruit, and eggs are high in protein and/or fiber, which helps you feel full and leads to less unhealthy snacking.

**Friday:** Breakfast eaters have better test scores, improved memory, and focus, and are less likely to be absent or tardy. Schools with breakfast programs report fewer behavioral problems and visits to the school nurse.

A promotional graphic for the Honorary Service Award (HSA) at Palos Verdes High School. The background is black with red and white geometric shapes. At the top left, there are four white chevrons pointing right. The text 'HSA' is in large, bold, white letters with a red shadow. Below it, three questions are listed in white text, each preceded by a vertical line of four white circles. The questions are: 'Do you know someone who has gone above and beyond to help the well-being of students and families at PVHS?', 'Do you know a teacher, administrator or community member who makes your day a little brighter?', and 'Now is the time to thank them! Nominations are due by Friday, March 29th! Please see the link below'. At the bottom, there is a white rounded rectangle with the text 'GO SEA KINGS!' in bold red letters. At the bottom right, there are four white chevrons pointing left.

Please include the message below in your principal's message. (K-12)

In October 2023, the PVPUSD school board took a substantial step towards updating the 2006 Advanced Placement U.S. History curriculum by approving two textbooks for a pilot that were aligned with the updated 2015 College Board requirements. Subsequently, in January 2024, the board extended this effort by approving a third textbook for inclusion in the ongoing pilot. The ultimate goal is to select one of these textbooks for an official adoption at an upcoming Spring board meeting.

The three textbooks currently undergoing rigorous review are:

- Fraser, James. *By the People: A History of the United States*, 3rd Edition, Pearson, 2024.
- Davidson, James West, et al. *Experience History: Interpreting America's Past*, 9th Edition, McGraw-Hill Education, 2019.
- **Newly Board Approved 3rd Pilot:** Cohen, Lizabeth and Kennedy, David M. *The American Pageant, AP® Edition*, 17th Edition, Cengage 2020.

These textbooks are open for public preview and comments. Input from the community is not only welcomed but encouraged. Interested individuals can access these materials at the following locations:

- PVPUSD District Office (outside of the board room)
- Palos Verdes High School (main office)
- Palos Verdes Peninsula High School (school library)

To provide feedback on any of the books under review, please click the link [here](#) or scan the QR code provided. Note that feedback submissions must be received by April 12, 2024, to be considered.

For additional information about the PVPUSD Curriculum adoption process and currently adopted textbooks, please visit the PVPUSD website [here](#).
