COUNSELING
Department

Senior Class of 2024

Ordering Final Transcripts: All seniors are encouraged to order a **Final Transcript** to be sent to the school they plan to enroll in for the Fall of 2024. You may order your final transcript using Scribbles, which is available [here](#). Please order your final transcript prior to the last day of school, **June 6, 2024**. All final transcripts will be sent beginning the week of June 17.

Student athletes: You must order a transcript to be sent by your counselor to NCAA if you are playing a sport in college.

Please see your counselor with any questions you may have.

Counselors met with the Senior Class of 2024 this past week in their English class to complete their Senior Year End Activity on **SchooLinks**. This includes updating individual **SchooLinks** portals with college application outcomes, indicating your enrollment decision, and documenting any scholarship award you received.

If your student was not able to meet with their counselor, it is important to take the time to complete these three tasks. Your information that you provide helps future senior classes with critical data for their college applications.

Please log onto your **SchooLinks** portal using your Single-Sign On portal.

Then:

1. Update your College Application outcomes for all schools you applied to. This may include schools not yet inputted on your College Applications list.
2. Indicate your Enrollment Decision. This is where you intend to enroll in Fall of 2024.
3. After the above two steps are done, go to your home Dashboard and complete the Senior Year End Activity.

Here is a quick demonstration of what needs to occur to help guide you: [SchooLinks Common App Instructions](#)

Momentum (previously known as Pediatric Therapy Network). We are a non-profit that supports children and adults with disabilities and medical conditions. Each year we have a summer camp for children of all abilities called Camp Escapades located at our Downtown Torrance clinic.

We are looking for teens in our area (ages 14+) to volunteer as a one-on-one buddy with our campers or join the Activities Team which set up or lead the camp activities throughout the day. This is truly an amazing experience. If students are not able to volunteer a full week, there are opportunities for fewer days at camp. The student will have to note this when applying to volunteer.

This year we are offering a 3-week camp so volunteers can join 1, 2, or even 3 weeks.

Attached is the [Application](#) and [Consent](#) forms.

CONTEST**

Our California, Our Community

Senator Ben Allen's Student Photography Contest

Inspired by California Poet Laureate Lee Herrick's "Our California" project, California State Senator Ben Allen is hosting a student photography contest to celebrate our diverse communities and its young creatives.

Eligibility and contest guidelines

- Contest is open to students in public, private, or charter middle schools and high schools within Senate District 24 ([Click here to see the district's map](#)). Homeschooled students are eligible, but must reside within Senate District 24 and in an equivalent grade-level.
- Submitted photos must be of the student's work, but do not need to be a recent work. Only one photo can be submitted per student.
- Each entry must contain a title and all entries must include an artist statement. The artist statement communicates what inspired the work, how it relates to the theme, and the content of the work. The statement must include at least 50 characters and not exceed 600 characters.
- Entries will be reviewed primarily on how well the student uses their artistic vision to portray the "Our California, Our Community" theme, their originality and creativity. Entries will be "blind juried." They will be evaluated and ranked without the jury knowing of the student artist.
- Winning entrees will be printed and displayed at our Capitol and/or District offices and showcased on social media and on our Senate website.
- Ownership in any submission will remain the property of the student, but entry into this program constitutes entrant's permission and consent to display and promote the photo. The entrant will always be credited (and celebrated!). Use of any copyrighted work not belonging to the entrant is prohibited.

Entrees due by May 31 at 11:59 PM
