Senator Ben Allen's Student Photography Contest

Inspired by California Poet Laureate Lee Herrick's "Our California" project, California State Senator Ben Allen is hosting a student photography contest to celebrate our diverse communities and its young creatives.

Eligibility and contest guidelines

- Contest is open to students in public, private, or charter middle schools and high schools within Senate District 24 ([Click here to see the district's map](#)). Homeschooled students are eligible, but must reside within Senate District 24 and in an equivalent grade-level.
- Submitted photos must be of the student's work, but do not need to be a recent work. Only one photo can be submitted per student.
- Each entry must contain a title and all entries must include an artist statement. The artist statement communicates what inspired the work, how it relates to the theme, and the content of the work. The statement must include at least 50 characters and not exceed 600 characters.
- Entries will be reviewed primarily on how well the student uses their artistic vision to portray the "Our California, Our Community" theme, their originality and creativity. Entries will be "blind juried." They will be evaluated and ranked without the jury knowing of the student artist.
- Winning entrees will be printed and displayed at our Capitol and/or District offices and showcased on social media and on our Senate website.
- Ownership in any submission will remain the property of the student, but entry into this program constitutes entrant's permission and consent to display and promote the photo. The entrant will always be credited (and celebrated!). Use of any copyrighted work not belonging to the entrant is prohibited.

Entrees due by May 31 at 11:59 PM

One of our district goals is to improve communication between our district and the PVPUSD community. As part of these ongoing efforts, we are conducting a communication survey to gather feedback on our current efforts. This survey will ask you questions about our current methods of communication, including what is working well and where improvement may be needed.

Your feedback is incredibly valuable and will be used to make future improvements to our district's communication strategies. To take the survey, please visit [PVPUSDsurvey.org](https://forms.gle/JYuaSVdUs75UJkAQ8). Thank you in advance for your time and input!

This year, our District English Language Advisory Committee has spent time creating a needs assessment survey aimed at gaining a deeper understanding of the needs of our English Learner community. We request that you complete this survey by April 26, 2024. Your input is invaluable. The responses will be shared at the upcoming DELAC meeting.

AP US History

Please include the message below in your principal's message. (K-12)

In October 2023, the PVPUSD school board took a substantial step towards updating the 2006 Advanced Placement U.S. History curriculum by approving two textbooks for a pilot that were aligned with the updated 2015 College Board requirements. Subsequently, in January 2024, the board extended this effort by approving a third textbook for inclusion in the ongoing pilot.

The ultimate goal is to select one of these textbooks for an official adoption at an upcoming Spring board meeting.

The three textbooks currently undergoing rigorous review are:

- Fraser, James. *By the People: A History of the United States*, 3rd Edition, Pearson, 2024.
- Davidson, James West, et al. *Experience History: Interpreting America's Past*, 9th Edition, McGraw-Hill Education, 2019.
- **Newly Board Approved 3rd Pilot:** Cohen, Lizabeth and Kennedy, David M. *The American Pageant, AP® Edition*, 17th Edition, Cengage 2020.

These textbooks are open for public preview and comments. Input from the community is not only welcomed but encouraged. Interested individuals can access these materials at the following locations:

- PVPUSD District Office (outside of the board room)
- Palos Verdes High School (main office)
- Palos Verdes Peninsula High School (school library)

To provide feedback on any of the books under review, please click the link [here](#) or scan the QR code provided. Note that feedback submissions must be received by April 12, 2024, to be considered.

For additional information about the PVPUSD Curriculum adoption process and currently adopted textbooks, please visit the PVPUSD website [here](#).
