Senior Class of 2024

Ordering Final Transcripts: All seniors are encouraged to order a **Final Transcript** to be sent to the school they plan to enroll in for the Fall of 2024. You may order your final transcript using Scribbles, which is available [here](#). Please order your final transcript prior to the last day of school, **June 6, 2024**. All final transcripts will be sent beginning the week of June 17.

Student athletes: You must order a transcript to be sent by your counselor to NCAA if you are playing a sport in college.

Please see your counselor with any questions you may have.

Junior Class of 2025:

Junior students received their classroom guidance lessons on May 13, 14, 20 and 21 in English class. The focus is on Finding Your Path. Topics covered include exploring individual values and goals and then using that to begin exploring the right post-secondary path for you. Students were given an overview of two-year, four-year, and other

paths including gap-year, vocational, and military options. Students were given their Junior Handbook at this lesson, and a PDF copy can be found [Here](#).

For students pursuing four-year college after high school, there is much to begin doing now and during the summer before senior year. This includes getting organized, researching schools, working on updating your resume, essays, applications, and the Counselor Letter of Recommendation Questionnaire, which can be found on the [Senior Tab](#).

Please review the Junior Guidance Lesson which has all the above information [Here](#).

Counselors met with the Senior Class of 2024 this past week in their English class to complete their Senior Year End Activity on [SchoolLinks](#). This includes updating individual [SchoolLinks](#) portals with college application outcomes, indicating your enrollment decision, and documenting any scholarship award you received.

If your student was not able to meet with their counselor, it is important to take the time to complete these three tasks. Your information that you provide helps future senior classes with critical data for their college applications.

Please log onto your [SchoolLinks](#) portal using your Single-Sign On portal.

Then:

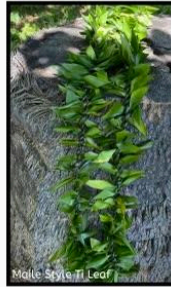

1. Update your College Application outcomes for all schools you applied to. This may include schools not yet inputted on your College Applications list.
2. Indicate your Enrollment Decision. This is where you intend to enroll in Fall of 2024.
3. After the above two steps are done, go to your home Dashboard and complete the Senior Year End Activity.

Here is a quick demonstration of what needs to occur to help guide you: [SchoolLinks Common App Instructions](#)

Ordering Final Transcripts: All seniors are encouraged to order a Final Transcript to be sent to the school they plan to enroll for the Fall of 2024. You may order your final transcript using Scribbles, which is available [here](#). Please order your final transcript prior to the last day of school, June 6, 2024. All final transcripts will be sent beginning the week of June 17.

Student athletes: You must order a transcript to be sent by your counselor to NCAA if you are playing a sport in college.

Momentum (previously known as Pediatric Therapy Network). We are a non-profit that supports children and adults with disabilities and medical conditions. Each year we have a summer camp for children of all abilities called Camp Escapades located at our Downtown Torrance clinic.

We are looking for teens in our area (ages 14+) to volunteer as a one-on-one buddy with our campers or join the Activities Team which set up or lead the camp activities throughout the day. This is truly an amazing experience. If students are not able to volunteer a full week, there are opportunities for fewer days at camp. The student will have to note this when applying to volunteer.

This year we are offering a 3-week camp so volunteers can join 1, 2, or even 3 weeks.

Attached is the [Application](#) and [Consent](#) forms.
