PVIT is looking for parent volunteers to help mentor our engineering competition teams. We need adults to help with project management, technical mentoring, and team logistics. If you are an engineer and you love engineering, you will LOVE this program and the STUDENTS! We especially could use mentors in software development. The main requirement is a desire to expose students to an amazing, unique, hands-on engineering experience that is not typically available until the third year in college. Please contact Mrs. Norris at (310) 378-8471 x514 or norrisl@pvpusd.net for more information.
