PVIT Open House

- Are you interested in autonomous vehicles, robots, technology, drones, rockets, space, electronics, math, science, or engineering? Come to the Palos Verdes Institute of Technology (PVIT) Open House on **Sunday, September 8th, 2:00-4:00 pm in the MPR!** We have robots by air, by land, and by sea! Our underwater/autonomous/remotely controlled robotics, electric car, quadcopters, cyber security, 3D printer, space technologies, video game design, software projects, and more will be on display. See what PVIT Teams all are about, tour of the new PVHS Fab Lab, and how you can have a blast while designing and building anything you can imagine. For questions, email Mrs. Norris at NORRISL@PVPUSD.NET or Mr. Warren at WARRENJ@PVPUSD.NET
-

- PVIT is looking for parent volunteers to help mentor our engineering competition teams. We need adults to help with project management, technical mentoring, and team logistics. If you are an engineer and you love engineering, you will LOVE this program and the STUDENTS! We especially could use mentors in software development. The main requirement is a desire to expose students to an amazing, unique, hands-on engineering experience that is not typically available until the third year in college. Please contact Mrs. Norris at (310) 378-8471 x514 or norrisl@pvpusd.net for more information.
