Class of 2027 Sophomore Counseling

As your student will be entering junior year next year, they are reaching the halfway point in their education at PVHS! The PVHS Counseling Department feels this is the perfect time to meet with our students and their parents/guardians to review high school graduation requirements and postsecondary options, and plan out the next two years of your student's course schedule to fit the needs and aspirations of your student. Given this, we would like to invite all of our sophomore families to schedule a time to meet individually with your student's counselor to participate in a 15-minute meeting, to discuss your student's four-year plan, postsecondary options, introduction to college and career planning, as well as answer any questions your family may have.

Sophomore Counseling begins by attending a Sophomore Family Presentation on February 6, 2025. On this date, we will be giving an in-person presentation in the morning(9:00am) in the MPR and evening Webinar presentation(6:00pm) that covers the same material. Following the evening presentation, a link will be posted for you to schedule a meeting with your student's counselor.

We look forward to seeing you at 9am in the PVHS MPR or 6pm via Webinar (**registration required [here](#)**).

During this summer intensive, we expose students to the range of opportunities available in the field of journalism, introduce them to the basic skills they need to report for their own newspaper and produce a short documentary, take them to visit major news outlets in NYC, and present different perspectives about the kinds of post-secondary preparation required for the work.

After they leave campus, students are paired with a college counselor and professional journalist who helps guide them through the admissions process to selective colleges and universities.
