Have questions? We are always here to help!

Greetings from the PVHSCC... Mrs. Hoffman and I hope your family enjoyed a wonderful winter break and that 2025 is off to a fantastic start!

As we begin the new year, we know that students and parents across grade levels are already thinking about the college research & admissions process—how it's evolving and how best to prepare for what lies ahead.

The PVHSCC has been busy with programming to best support you in the coming weeks and months. Many families focus on summer planning in January and February, seeking opportunities for enrichment, exploration and personal development. Whether through internships, creative projects, or community initiatives, summer activities allow students to discover or take a deeper dive into their passions, build leadership skills, and make a meaningful impact... as well as enjoy some much needed family and down time, as well!

JANUARY 15TH @ 6:30pm VIA ZOOM:

SUMMER BREAK: Aligning Activities with Student Goals

Join us in discussing how to align student interests and talents with impactful summer opportunities—like internships, jobs, camps, advocacy, service or travel—to showcase student growth, curiosity, leadership, and the goals that they will eventually need to articulate on college applications. **This is appropriate for grades 9 - 11.**

JANUARY 23rd @ Lunchtime in the CCC: United States Air Force and AFROTC Information Session - ALL GRADES WELCOME

JANUARY 28th @ 9am in the MPR: PVHS PTSA Meeting: Mrs. Lewis will highlight several trends that drove 8% application inflation for the **Class of 2025** and additional information for future college admissions.

SCHOLARSHIP OPPORTUNITIES and DEADLINES:

JANUARY 23 - EDISON SCHOLARS (\$50,000) - for seniors who want to make a difference in the world by studying science, technology, engineering or math (STEM) in college. Requirements for applying include having at least a GPA of 3.0 or higher on a 4.0 scale and show financial need .

FEBRUARY 5 - ELK'S LEGACY AWARD (\$4,000) – seniors only; any child/grandchild of a living Elk who joined the order on or before April 1, 2022 is eligible to apply. Candidates who qualify are judged on knowledge, charity, community service, and integrity.

OUTSIDE OPPORTUNITIES:

Princeton Summer Journalism Program:

PSJP exists to bridge pathways for students from historically underrepresented backgrounds to journalism and other fields that shape our democracy. During this summer intensive, we expose students to the range of opportunities available in the field of journalism, introduce them to the basic skills they need to report for their own newspaper and produce a short documentary, take them to visit major news outlets in NYC, and present different perspectives about the kinds of post-secondary preparation required for the work.

After they leave campus, students are paired with a college counselor and professional journalist who helps guide them through the admissions process to selective colleges and universities.

The **APPLICATION** for the summer of 2025 is **now open for current juniors and due by Monday, February 24, 2025!**
