## Thank you for your interest in Palos Verdes Baseball.

We will be holding two separate tryouts this fall, **one for 9th graders** and **one for 10th-12th graders**.

We will be holding freshmen baseball tryouts for our program on Wednesday, November 12, through Friday, November 14, with Saturday, November 15, reserved in case of any weather or scheduling issues. Tryouts will take place after school on the baseball field.

Sophomores, Juniors, and Seniors will try out on Monday, November 10th. Tryouts will take place after school on the baseball field. Wednesday, November 1, 2, through Friday, November 14, will be reserved in case of any weather or scheduling issues.

We've scheduled tryouts from 3:30 p.m. to 5:30 p.m., though we do not anticipate using the full two hours each day.

If you are unable to attend or participate in tryouts due to travel or injury, please contact me in advance to let me know. My classroom is Room 309.

If you are a fall athlete still competing on the varsity level of your sport, please do not attend baseball tryouts until your current season has officially concluded. This typically applies to football players called up to varsity for playoffs.

If you are a winter athlete, you have two options:

1. Arrange with your winter sports coach to try out for baseball.
2. Try out at the conclusion of your winter season (early February).

#### Reminders:

- Dress to play the game of baseball: hat, baseball pants, and all necessary equipment (glove, bat, and any position-specific gear).
- Expect to throw, hit, run, and pitch (if applicable).
- Players who make the team should expect practices and games over Spring Break.

We currently have 36 students who have expressed interest in trying out, and that number usually grows by the actual tryout date. Please note that with this many students trying out, unfortunately, not all will be selected for the team. We encourage all players to give their best effort and to view the tryout process as an opportunity to grow and compete.

Good luck, and please don't hesitate to reach out if you have any questions.

Thank you,  
Coach Alex Morales
