Thank you for your interest in Palos Verdes Baseball.

We will be holding two separate tryouts this fall, **one for 9th graders and one for 10th-12th graders.**

We will be holding freshmen baseball tryouts for our program on Wednesday, November 12, through Friday, November 14, with Saturday, November 15, reserved in case of any weather or scheduling issues. Tryouts will take place after school on the baseball field.

Sophomores, Juniors, and Seniors will try out on Monday, November 10th. Tryouts will take place after school on the baseball field. Wednesday, November 12, through Friday, November 14, will be reserved in case of any weather or scheduling issues.

We've scheduled tryouts from 3:30 p.m. to 5:30 p.m., though we do not anticipate using the full two hours each day.

If you are unable to attend or participate in tryouts due to travel or injury, please contact me in advance to let me know. My classroom is Room 309.

If you are a fall athlete still competing on the varsity level of your sport, please do not attend baseball tryouts until your current season has officially concluded. This typically applies to football players called up to varsity for playoffs.

If you are a winter athlete, you have two options:

1. Arrange with your winter sports coach to try out for baseball.
2. Try out at the conclusion of your winter season (early February).

Reminders:

Dress to play the game of baseball: hat, baseball pants, and all necessary equipment (glove, bat, and any position-specific gear).

- Expect to throw, hit, run, and pitch (if applicable).
- Players who make the team should expect practices and games over Spring Break.

We currently have 36 students who have expressed interest in trying out, and that number usually grows by the actual tryout date. Please note that with this many students trying out, unfortunately, not all will be selected for the team. We encourage all players to give their best effort and to view the tryout process as an opportunity to grow and compete.

Good luck, and please don't hesitate to reach out if you have any questions.

Thank you,
Coach Alex Morales

BASEBALL TRYOUT INFORMATION -

For any student interested in trying out for baseball.

The link below is for an information form to help us estimate how many students plan to try out for baseball. Based on the responses, we'll design the tryouts, determine how many days are needed, and then set the official tryout dates.

This form is ONLY accessible to students using a @pvpusd.net email address.

Capitol Convoy is BACK!

What is Capitol Convoy?

Capitol Convoy is an exclusive trip to Sacramento, sponsored by the PTSA, for two days (February 18th - 19th), where PVPUSD students have a chance to tour the Capitol, have private Q & A sessions with Legislators, and the coolest part: advocate for PVPUSD students in legislative appointments!

This two-day trip will be on February 18th-19th. Students will leave from PVHS in the early morning on the 18th and return in the evening of the 19th.

While we *strongly* recommend attending an information session before applying, students can already access the PVHS Capitol Convoy application, which can be found below.

The last day to drop or level down in a class with a W for withdrawal on your transcript is this Friday, October 31, 2025.
Any class drops or level down changes must have space

availability and the ability to work in your schedule. Any further class drops between November 3–December 19, 2025 will result in an automatic F (fail) on the transcript. Please see or contact your counselor with any questions you may have.

Class of 2026 Seniors with Regular Decision Application deadlines must submit their Senior Packets to their counselor's box by Friday, November 7, 2025. This is important for students who are requesting a counselor letter of recommendation to ensure their counselor can write a letter of recommendation on time. Please see your counselor if you have any questions or need help with this process. We are here to help!

Need help with your college applications?

Join us for College Application Support during lunch in **Room 100** (across from Counseling Office) every **Wednesday & Thursday, Oct. 1 – Nov. 13**. Stop by and get help with your college application and essays!

ACT Practice Test
NOVEMBER 15 - 16

Deadline to register: Thursday, Nov. 13th

Sign up for a FREE at-home practice test!

The PVHSCC has partnered with Compass Education to offer an at-home, computer-proctored digital ACT practice test at no cost.

This complimentary at-home ACT practice test is a \$50 value.

Practice tests provide our students with just that... **practice before taking a college entrance exam!**

For **SENIORS in our CLASS OF 2026**, this is an amazing opportunity to take a full length practice ACT before the **last official ACT in December** this year. There are universities like the **University of Tennessee, Mississippi and Mizzou** that will reconsider merit scholarship when higher scores are submitted even after a student has been admitted. There is also opportunity to increase your ACT score to submit with RD applications.

For **JUNIORS in our CLASS OF 2027...** now that our juniors have taken the PSAT and received their scores, its a wonderful time to take a practice ACT to compare how they felt taking each exam and compare how they scored.

The test results are invaluable in helping students and their families understand which test might suit the student best and as well assist in determining whether or not to pursue any standardized testing at all!

Many families will attempt both tests in order to be thorough in their planning.

LOCAL SCHOLARSHIP & OUTSIDE OPPORTUNITIES

STUDENT SPEAKERS CONTEST is sponsored by the PV Lions Club. Contestants have the possibility of winning a total of \$21,000! The topic for this year's speech contest is "Youth Mental Health: Overcoming Barriers to Well-Being". It is open to high school students, grades 9-12 and involves several rounds. If interested in participating, there will be an informational meeting at lunchtime on Monday, November 17, in the College and Career Center, Room 318. Perry Lynn of the Lions Club will be here to discuss the contest in more detail and answer any questions that you may have.

LOS SERENOS DE POINT VICENTE JUNIOR DOCENTS PROGRAM is open to local high school students. The program is designed

to complement the existing educational and support activities including museum tours, hikes support, whale wagon duty and special event participation. If you are interested in becoming a Junior Docent, learn more about the program and how to apply [HERE](#). Applications are accepted until December 31.

SCHOLARSHIP OPPORTUNITIES and DEADLINES: To view current local scholarships available for our SENIORS, please click [HERE](#). Then select the Link for SCHOLARSHIP OPPORTUNITIES & DEADLINES. Seniors may also view/apply to these local scholarships on Maia Learning. Once logged in, select Financial Plan on the left margin. Then click on Local Scholarships on the top of the page to see the local scholarships currently available and to apply.

The Princeton Prize in Race Relations identifies and recognizes high school students who, through action and service, have demonstrated leadership in advancing racial equity or promoting racial understanding in their schools and communities.

Prize winners will receive \$2,500 and an invitation to participate in the Princeton Prize Symposium on Race.

Applications Due January 15

We would like to remind our school communities and families/guardians to assess common signs and symptoms of seasonal illnesses such as COVID-19 and Hand Foot Mouth Disease (HFMD). Respiratory Illnesses, Flu, COVID-19 transmission, and HFMD peak in the summer and fall but can be seen at any time of the year. For the well-being of all our school community, please keep your student at home if your student is too sick to come to school. Please review Guidance for Symptoms and When to Stay Home on the district website.

Guidance for Schools: Common Signs & Symptoms

This document is intended to support decision-making for schools and childcare centers when an individual child is displaying signs and symptoms of illness.

Below are suggestions for when to keep your child home when they are not feeling well. Contact a health care provider if your child needs medical care. A doctor's note is generally not required to return to school or child care. For more information, please visit [the CDPH guidance page](#).

This document:

- **does not** replace the advice of a licensed healthcare provider, nor does it revise guidance related to an individual child's known medical condition or existing IEP, Section 504 plan, or IFSP plan.
- **is not** a diagnostic tool. Related symptoms may inform exclusion decisions, but school staff should not attempt to diagnose.
- **does not** replace or revise applicable laws or other requirements.
- **does not** address specific disease outbreaks, when recommendations and public health requirements for exclusion may be more strict.
- **is limited to** consideration of symptoms as evidence of infection, and does not include considerations for other causes of symptoms such as allergies, toxin exposure, and child abuse or neglect.
- **should be used** within the context of an individual student's health and behavior history.

Symptom	When should my child stay home and when can they return?
Overall, not feeling well	STAY HOME IF any new illness or symptom prevents a child from participating meaningfully in routine activities. Please note that a child with multiple symptoms is more likely to be contagious. Recommendations for all applicable symptoms should be considered.
Fever	STAY HOME IF a fever is 100.4°F (38°C) or higher. RETURN WHEN fever went away over the night and is gone in the morning without the use of medications such as Tylenol®, Advil®, or Motrin® (acetaminophen or ibuprofen). If fever is accompanied by additional symptoms, follow all symptom-specific guidelines.
Respiratory Virus Symptoms (cough, stuffy / runny nose, sneeze)	OK TO ATTEND WITH MILD SYMPTOMS. Children should test for COVID-19 before attending school, wear a mask for 10 days from symptom onset, and follow COVID-19 guidance . STAY HOME IF symptoms are accompanied by fever or if child has significant nasal discharge (ie. interfering with their ability to participate in school and/or can't be contained without contaminating other children or staff). SEEK MEDICAL ATTENTION for severe symptoms, including a bad cough, difficulty breathing or trouble catching their breath, or wheezing when not controlled by medication (like albuterol). RETURN WHEN child has been fever-free for 24 hours without the use of fever reducing medication and other symptoms are improving.

It's More Than Free Meals!
