Not a member of CSF but want to spread some holiday cheer? Please feel free to join in the fun and help these deserving children by donating an item.

CSF is sponsoring its annual Toy Drive and is partnering again this year to benefit the Luskin Orthopaedic Institute for Children. Please bring NEW and UNWRAPPED toy items for children aged infant to 18 years to Room 316 or the Library between Monday, 11/17 and Friday, 12/5.

To earn CSF donation credit, the total value of toy donation(s) must equal at least \$20. Bring your CSF Fall Service Log for signature when you donate.

Not a member of CSF but want to spread some holiday cheer? Please feel free to join in the fun and help these deserving students by dropping a toy or two in the donation boxes.

Explore Electives Day is coming up on December 9th during Nutrition. Students are encouraged to stop by and learn about the many elective course offerings available, including Dual Enrollment pathways, internship programs, SCROC classes, and a wide range of classes to consider for your schedule next year. Grab your friends and come explore the possibilities!

The PVHS Bake-Off Club is co-hosting a **Winter Sweets Bake-off** with the library! We invite all Sea Kings to participate. Bake or make your favorite winter sweets and bring them to the library the morning of Monday, Dec. 8. All

participants are invited to the library at lunch that day for tasting and judging! *[With your dish, please provide a 5x7 typed sheet with the dish's name, ingredients & measurements, and a brief write-up of why you love it or what it means to you.]*

We would like to remind our school communities and families/guardians to assess common signs and symptoms of seasonal illnesses such as COVID-19 and Hand Foot Mouth Disease (HFMD). Respiratory Illnesses, Flu, COVID-19 transmission, and HFMD peak in the summer and fall but can be seen at any time of the year. For the well-being of all our school community, please keep your student at home if your student is too sick to come to school. Please review Guidance for Symptoms and When to Stay Home on the district website.

Guidance for Schools: Common Signs & Symptoms

This document is intended to support decision-making for schools and childcare centers when an individual child is displaying signs and symptoms of illness.

Below are suggestions for when to keep your child home when they are not feeling well. Contact a health care provider if your child needs medical care. A doctor's note is generally not required to return to school or child care. For more information, please visit [the CDPH guidance page](#).

This document:

- **does not** replace the advice of a licensed healthcare provider, nor does it revise guidance related to an individual child's known medical condition or existing IEP, Section 504 plan, or IFSP plan.
- **is not** a diagnostic tool. Related symptoms may inform exclusion decisions, but school staff should not attempt to diagnose.
- **does not** replace or revise applicable laws or other requirements.
- **does not** address specific disease outbreaks, when recommendations and public health requirements for exclusion may be more strict.
- **is limited to** consideration of symptoms as evidence of infection, and does not include considerations for other causes of symptoms such as allergies, toxin exposure, and child abuse or neglect.
- **should be used** within the context of an individual student's health and behavior history.

Symptom	When should my child stay home and when can they return?
Overall, not feeling well	STAY HOME IF any new illness or symptom prevents a child from participating meaningfully in routine activities. Please note that a child with multiple symptoms is more likely to be contagious. Recommendations for all applicable symptoms should be considered.
Fever	STAY HOME IF a fever is 100.4°F (38°C) or higher. RETURN WHEN fever went away over the night and is gone in the morning without the use of medications such as Tylenol®, Advil®, or Motrin® (acetaminophen or ibuprofen). If fever is accompanied by additional symptoms, follow all symptom-specific guidelines.
Respiratory Virus Symptoms (cough, stuffy / runny nose, sneeze)	OK TO ATTEND WITH MILD SYMPTOMS. Children should test for COVID-19 before attending school, wear a mask for 10 days from symptom onset, and follow COVID-19 guidance . STAY HOME IF symptoms are accompanied by fever or if child has significant nasal discharge (ie. interfering with their ability to participate in school and/or can't be contained without contaminating other children or staff). SEEK MEDICAL ATTENTION for severe symptoms, including a bad cough, difficulty breathing or trouble catching their breath, or wheezing when not controlled by medication (like albuterol). RETURN WHEN child has been fever-free for 24 hours without the use of fever reducing medication and other symptoms are improving.

It's More Than Free Meals!

All PVPUSD students can enjoy free breakfast and lunch daily through California's Universal Meals Program, but completing a Free and Reduced Meal Application still matters! Submitting the form may help families qualify for additional benefits such as reduced exam fees, discounted internet services, and college application savings while also providing essential funding that supports our schools.
