CLASS OF 2025: STUDENTS WHO APPLIED TO THE UC'S

The priority deadline to file the **Free Application for Federal Student Aid (FAFSA)** for the **2025-2026** academic year for the **University of California** is March 3, 2025.

In addition to applying for financial aid, please keep in mind that each UC has their own process for considering students for various scholarships. For instance, all prospective Bruins are encouraged to complete the **UCLA Prospective Student Scholarship Application**.

Whereas for **UC San Diego**, a student's admissions application will act as their scholarship application for the first academic year. Students are still strongly encouraged to apply for **external scholarship opportunities** in addition to any aid offered by the institution.

It is important to check the website for each UC to which you applied to see if and what steps are necessary to be considered for additional scholarship opportunities.

On another note, are you curious to know what a college classroom lecture is like at a UC?! The Office of Admissions at **UCSB** is hosting a set of five faculty lectures (virtual) for students and their families. Get a glimpse of the UCSB

classroom experience from the comfort of your home! Register for one (or more) lectures today or share the list with a friend.
