Montclair State University is pleased to announce that they will be opening their **Early Bird Junior Admission Program** on April 15, 2025!

Designed to give high school juniors the opportunity to get a jump start on their college search and apply for admission before their senior year even begins, the **Early Bird Program is non-binding and the first of its kind.**

How does it work? Interested juniors may apply between April 15 - June 15, 2025, for admission to Montclair's Fall 2026 class. Montclair requires a copy of a student's high school transcript that includes junior year grades through the second marking period to be received by June 20th. Students who are admitted are guaranteed admission to the university for Fall 2026. Decisions will be released by July 15, 2025.

What about scholarships? Students who are eligible for a merit scholarship will be informed of their award as part of the Early Bird process.

Can students who are denied Junior Admission apply again for regular admission? Early Bird applicants who are not admissible over the summer will be deferred and reviewed again during the academic year. Those students will be encouraged to have updated grades sent in the fall or winter of their senior year before their application is re-reviewed. Students will not have to apply again.
