The last day to make a schedule change is coming up this **Friday, August 29**. This means adding a new class, leveling up or down in honors/AP classes, or removing a class from your schedule. All schedule changes must have space availability and the ability to work in your schedule. The next deadline will be Friday, October 3, which is the deadline to level down or drop a class from your schedule with no impact to your transcript. Please see or contact your counselor with any questions you may have.

Class of 2026 Parents and Guardians:

We invite you to join us for the **Senior Parent and Guardian Presentation** on **Wednesday, August 27**. We will offer two sessions:

- **9:00 AM in the PVHS MPR**
- **6:00 PM via webinar ([please register here](#))**

Choose the time that works best for your schedule.

During the presentation, we'll cover valuable information about community college options, the four-year college application process, how students can request letters of recommendation, and upcoming events in the College and Career Center. This is a great opportunity to stay informed and support your senior through this important year.

If you have questions, please don't hesitate to reach out to your student's counselor. You can also follow us on

TONY THURMOND
STATE SUPERINTENDENT OF
PUBLIC INSTRUCTION

August 22, 2025

Dear County and District Superintendents, Charter School Administrators, High School Principals, Counselors, and Scholarship Coordinators:

2026 United States Senate Youth Program

I am pleased to announce the 2026 United States Senate Youth Program (USSYP).

All public and private high schools in the state are invited to nominate up to two outstanding juniors or seniors who are interested in pursuing careers in public service to participate in this educational program coordinated by the California Department of Education (CDE).

Two student delegates from each state will be selected to attend this unique educational experience. The 64th Annual Washington Week is scheduled to be held in Washington, D.C., on March 7–14, 2026. Student delegates will participate in a comprehensive, interactive leadership program, and each will receive a \$10,000 college scholarship.

To apply, students must be nominated by their high school principal and currently be serving in an elected or appointed leadership capacity in a student government, civic, or educational organization for the entire 2025–26 school year. In addition, nominated students must be U.S. citizens or permanent legal residents, be currently enrolled in a California public or independent high school, and live in California for the entire academic year. Four finalists, consisting of two delegates and a first and second alternate, will be selected by the CDE to be California's USSYP representatives.

Information on how to apply is available on the CDE USSYP web page at <https://www.cde.ca.gov/eo/in/us/>. Students must first submit an Intent to Apply form by Monday, September 22 at noon. Once eligibility is confirmed for the student, the final application is then due by Monday, October 20, 2025.

If you have any questions regarding the USSYP, please email USSYP@cde.ca.gov.

Sincerely,

Tony Thurmond
State Superintendent of Public Instruction
