Attention Senior Class of 2026: As you begin to hear from colleges you've applied to or been accepted to, these schools may be requesting your **Mid-Year Transcript**, also known as your 7th Semester Transcript. These are your grades from this past fall 2025 semester. You will need to order these on Scribbles and may find the link [here](#).

Your counselor will begin to send these once transcripts have been reviewed.

Not sure if you need to have a mid-year transcript sent? Check your application portals and emails. Do not miss this important information.

Come see your counselor with any questions you may have or for any help you may need. We are here to support you on your college journey!

A reminder that judge sign-ups are now open for our Palos Verdes Peninsula USD Science & Engineering Fair on FEB 5, 2026. Thank you to those who have already signed up; we appreciate this very much! We need over 100+ judges and only have (74) confirmed names.

If you are planning on judging this year, please take 5-10 minutes to complete the form below and sign-up to be a judge:

Calling all Ocean Changemakers!

Bleu World, an ocean conservation nonprofit, is looking for remote interns for Spring 2026! These unpaid internships run for 13 weeks and consist of project-based remote work designed specifically in Marketing, Marine Science, and Ocean Conservation. Interns will be required to spend 3-5 hours per week working on their projects, and it is expected that interns have evening availability for a remote meeting once per week. Interested? [APPLY](#) before February 6th.

Please note that this internship is open to high school students in their junior or senior year.

Application Form

2025 Internship Reports (bottom of page)

Questions? Please have your student contact Ms. Hamilton at hamiltonm@pvpusd.net.

Senator Ben Allen's District Office is now accepting applications for the Spring 2026 High School Internship Program. This program provides high school students with an opportunity to learn about public service, strengthen professional skills, and support community-facing work. Interns can expect a structured program that will include a weekly speaker series with members of the Senator's team and local leaders, an introduction to how the local government supports constituents and responds to community priorities, and opportunities to participate in community events and service activities alongside staff. No prior political experience is required.

Key details

- **Program dates: March 2 – May 18, 2026**
- **Weekly virtual meetings: Mondays, 4:30–5:30 PM**
- **In-person participation: Attend at least 2 community events**
- **Eligibility: Current high school students (priority to 11th grade, all grades welcome)**
- **Application deadline: February 8 at 11:59 PM**

How to apply

Apply here: <https://sd24.senate.ca.gov/district/internship>. Applications will remain open through February 8 at 11:59 PM. Questions may be directed to Samantha Gallegos at Samantha.Gallegos@sen.ca.gov.

El Camino College

JANUARY 28TH @ 5:30PM (VIRTUAL)

**All Grades are welcome to join this
introduction to El Camino College**

El Camino College, a local public community college in Torrance, is known for its diverse academic and career programs, strong university transfer pathways, and commitment to student success within our South Bay community. It offers very affordable education, extensive support services, and a vibrant campus with a

wide array of certificate and degree programs designed to prepare students for four-year universities or direct entry into high-demand careers.

Please join us via Zoom on January 28th to learn more about the hundreds of programs, including Associate Degrees, Certificates, and career training, with pathways for university transfer (UC/CSU) and workforce readiness.

This presentation is appropriate for ALL grades, but most especially geared towards our 11th/12th grade students and families.

Accepting Applications: High School Naturalist Internship

PVPLC High School Naturalist Internship Program

Accepting Applications for Spring 2026 - This program is offered by the Palos Verdes Peninsula Land Conservancy (PVPLC). Through this program, interns volunteer primarily at White Point Nature Education Center as well as in the adjacent Nature Preserve. Interns shadow PVPLC Nature Center Staff to assist with greeting visitors, facilitating programs, community science projects, trail monitoring, animal care, and facility maintenance. Interns also receive a checklist of enrichment requirements, including reading and activities that they complete to round out their knowledge during their internship. This is an unpaid internship, and interns must be age 16 or above when they start. Interns are

required to complete 25 hours of shifts and enrichments to complete this program. We are currently accepting applicants for Spring 2026 and the online application form can be filled out here: <https://forms.gle/z988CvcvUxaaQzvx8>

We would like to remind our school communities and families/guardians to assess common signs and symptoms of seasonal illnesses such as COVID-19 and Hand Foot Mouth Disease (HFMD). Respiratory Illnesses, Flu, COVID-19 transmission, and HFMD peak in the summer and fall but can be seen at any time of the year. For the well-being of all our school community, please keep your student at home if your student is too sick to come to school. Please review Guidance for Symptoms and When to Stay Home on the district website.

Guidance for Schools: Common Signs & Symptoms

This document is intended to support decision-making for schools and childcare centers when an individual child is displaying signs and symptoms of illness.

Below are suggestions for when to keep your child home when they are not feeling well. Contact a health care provider if your child needs medical care. A doctor's note is generally not required to return to school or child care. For more information, please visit [the CDPH guidance page](#).

This document:

- **does not** replace the advice of a licensed healthcare provider, nor does it revise guidance related to an individual child's known medical condition or existing IEP, Section 504 plan, or IFSP plan.
- **is not** a diagnostic tool. Related symptoms may inform exclusion decisions, but school staff should not attempt to diagnose.
- **does not** replace or revise applicable laws or other requirements.
- **does not** address specific disease outbreaks, when recommendations and public health requirements for exclusion may be more strict.
- **is limited to** consideration of symptoms as evidence of infection, and does not include considerations for other causes of symptoms such as allergies, toxin exposure, and child abuse or neglect.
- **should be used** within the context of an individual student's health and behavior history.

Symptom	When should my child stay home and when can they return?
Overall, not feeling well	STAY HOME IF any new illness or symptom prevents a child from participating meaningfully in routine activities. Please note that a child with multiple symptoms is more likely to be contagious. Recommendations for all applicable symptoms should be considered.
Fever	STAY HOME IF a fever is 100.4°F (38°C) or higher. RETURN WHEN fever went away over the night and is gone in the morning without the use of medications such as Tylenol®, Advil®, or Motrin® (acetaminophen or ibuprofen). If fever is accompanied by additional symptoms, follow all symptom-specific guidelines.
Respiratory Virus Symptoms (cough, stuffy / runny nose, sneeze)	OK TO ATTEND WITH MILD SYMPTOMS. Children should test for COVID-19 before attending school, wear a mask for 10 days from symptom onset, and follow COVID-19 guidance . STAY HOME IF symptoms are accompanied by fever or if child has significant nasal discharge (i.e. interfering with their ability to participate in school and/or can't be contained without contaminating other children or staff). SEEK MEDICAL ATTENTION for severe symptoms, including a bad cough, difficulty breathing or trouble catching their breath, or wheezing when not controlled by medication (like albuterol). RETURN WHEN child has been fever-free for 24 hours without the use of fever reducing medication and other symptoms are improving.
