On **Wednesday, October 21**, PVHS is excited to provide meaningful PSAT opportunities for both our 10th and 11th grade students. Whether students are building experience as sophomores or taking the official PSAT/NMSQT as juniors, this is a great opportunity to gain valuable insight into college-readiness skills and future testing.

Sophomores can take a Practice PSAT provided by Compass Education that mirrors the computer-based PSAT experience, including question types, timing, content, and adaptive format. It provides students with a helpful baseline, identifies areas of strength and potential growth, and builds confidence for future testing. Scores are shared only with families and are not reported to College Board. At this time, the deadline for sophomores to register for the test has passed. Only registered sophomores will be testing on Wednesday.

All PVHS juniors have the option to take the official PSAT/NMSQT on campus. This is more than a practice test; it gives students an official measure of their college-readiness skills and is the qualifying assessment used to enter the National Merit Scholarship Program, creating opportunities for academic recognition and scholarships. Juniors do NOT need to register or take any action; PVHS has already purchased and reserved a test for every 11th grade student.

Students in grades 9 and 12 will arrive at school at the start of 4th period. Students in grades 10 and 11 who choose not to participate in either test should also arrive at the beginning of 4th period, when the academic school day begins. Please note that we will follow a special bell schedule on this day, which is provided above for your reference.

We strongly encourage our Sea Kings to take full advantage of these opportunities. Practice and prepare in 10th grade, and make it count in 11th!
