Join us for **Catch the Wave 2026**, our biggest fundraiser to support PVHS Booster Club! Your help is crucial in funding our school's needs and enhancements.

For 20 years, the Booster Club has been **supporting our three A's - Academics, Arts, and Athletics**. Our reach remains broad and meaningful: we fund virtually every team, activity, program, and department at PVHS. Each year, we've been able to commit ~\$400,000 to our amazing school across a variety of programs. Over the past few years, we've expanded our reach to include several capital improvement projects, including the Cove, King's Corner, improvements to the outdoor stage & Sea King Park, Sea King Center, PVIT's Fab La,b and some much-needed improvements in the Drama Department.

We will continue to invest heavily in the PVHS campus to improve the Sea King experience for our students with projects in the campus common areas or benefiting our three A's. We have much more planned for the months ahead!a

Excellence thrives on collective commitment.

We would like to remind our school communities and families/guardians to assess common signs and symptoms of seasonal illnesses such as COVID-19 and Hand Foot Mouth Disease (HFMD). Respiratory Illnesses, Flu, COVID-19 transmission, and HFMD peak in the summer and fall but can be seen at any time of the year. For the well-being of all our school community, please keep your student at home if your student is too sick to come to school. Please review Guidance for Symptoms and When to Stay Home on the district website.

Guidance for Schools: Common Signs & Symptoms

This document is intended to support decision-making for schools and childcare centers when an individual child is displaying signs and symptoms of illness.

Below are suggestions for when to keep your child home when they are not feeling well. Contact a health care provider if your child needs medical care. A doctor's note is generally not required to return to school or child care. For more information, please visit [the CDPH guidance page](#).

This document:

- **does not** replace the advice of a licensed healthcare provider, nor does it revise guidance related to an individual child's known medical condition or existing IEP, Section 504 plan, or IFSP plan.
- **is not** a diagnostic tool. Related symptoms may inform exclusion decisions, but school staff should not attempt to diagnose.
- **does not** replace or revise applicable laws or other requirements.
- **does not** address specific disease outbreaks, when recommendations and public health requirements for exclusion may be more strict.
- **is limited to** consideration of symptoms as evidence of infection, and does not include considerations for other causes of symptoms such as allergies, toxin exposure, and child abuse or neglect.
- **should be used** within the context of an individual student's health and behavior history.

Symptom	When should my child stay home and when can they return?
Overall, not feeling well	<p>STAY HOME IF any new illness or symptom prevents a child from participating meaningfully in routine activities.</p> <p>Please note that a child with multiple symptoms is more likely to be contagious. Recommendations for all applicable symptoms should be considered.</p>
Fever	<p>STAY HOME IF a fever is 100.4°F (38°C) or higher.</p> <p>RETURN WHEN fever went away over the night and is gone in the morning without the use of medications such as Tylenol[®], Advil[®], or Motrin[®] (acetaminophen or ibuprofen). If fever is accompanied by additional symptoms, follow all symptom-specific guidelines.</p>
Respiratory Virus Symptoms (cough, stuffy / runny nose, sneeze)	<p>OK TO ATTEND WITH MILD SYMPTOMS. Children should test for COVID-19 before attending school, wear a mask for 10 days from symptom onset, and follow COVID-19 guidance.</p> <p>STAY HOME IF symptoms are accompanied by fever or if child has significant nasal discharge (i.e. interfering with their ability to participate in school and/or can't be contained without contaminating other children or staff).</p> <p>SEEK MEDICAL ATTENTION for severe symptoms, including a bad cough, difficulty breathing or trouble catching their breath, or wheezing when not controlled by medication (like albuterol).</p> <p>RETURN WHEN child has been fever-free for 24 hours without the use of fever reducing medication and other symptoms are improving.</p>

National League of Young Men, Inc. (NLYM) is a mother and son organization structured around a four-year unique experience for young men in grades 9-12. Our goal is to provide young men with opportunities to contribute to their communities and to enhance the mother-son relationship.

Each year, our Young Men donate nearly 60,000 hours to over 1,000 local and national non-profit organizations across the country. They gain invaluable service experience that will carry with them as they continue to make positive impacts on their communities. NLYM is committed to being an organization that represents and cultivates compassion for all people in the communities in which we live and serve.

NLYM is a growing national organization with new chapters forming from coast to coast.

Currently a chapter is forming in the Palos Verdes Peninsula & South Torrance area and is seeking mothers with sons entering 8th, 9th and 10th Grades who reside in the Palos Verdes Peninsula and South Torrance area.

Our organization is 100% powered by volunteer mothers and young men in high school. We create valued relationships with local non-profit organizations that make life better in our communities and give our Young Men a wide variety of service experiences. We invite local leaders to share their experiences and wisdom with our Young Men. We participate in horizon-expanding cultural experiences and events. Our Young Men are introduced to the art of being a gentleman and the importance of treating others with respect.

NLYM's four-year experience focuses on different aspects of leadership, service, protocol, and culture each year. Our program is designed to help Young Men develop confidence and courage as they lead each other and learn together. We offer our Young Men relevant and profound experiences that reveal the great joy of serving others.

At the end of four years, our Young Men are well-rounded individuals who have developed compassion, important leadership skills, and polished manners.

NLYM is committed to promoting inclusivity and is a non-political, non-religious organization.
