The CIF Southern Section is pleased to announce the second year of our Student-Athlete Advisory Council. After a successful inaugural year, we are excited to continue providing student-athletes with meaningful opportunities to engage in leadership development and offer valuable input on CIF Southern Section programs and initiatives.

We are currently seeking applications from members of the Class of 2028 (current sophomores) who are interested in serving on the Council for the next two years. Selected student-athletes will collaborate with peers from across the Southern Section, participate in leadership training, and contribute to discussions that help shape the student-athlete experience. Council members may also have the opportunity to assist with and develop student-led initiatives.

Applicants must:

- Be a cleared and eligible athlete at their member school
- Maintain a minimum 2.5 unweighted GPA
- Have consistent email access and respond in a timely manner
- Provide a letter of support from an athletic director, activities director, or school administrator
- Commit to attending all scheduled meetings at the CIF Southern Section Office

The application can be found on the CIF Southern Section website at <http://www.cifss.org/forms>. Additional information regarding deadlines and meeting dates is included in the application materials.

Completed applications should be emailed to sharonh@cifss.org. Only complete, electronic applications will be accepted.

SUMMER VOLUNTEER PROGRAM

PENINSULA
EDUCATION
FOUNDATION

Looking to make a difference, develop leadership skills, and earn national recognition — all in one summer? PEF's Summer Volunteer Program offers high school students the opportunity to support younger students while gaining valuable experience.

What You Will Do:

Volunteers will assist in classrooms, supervise recess, and provide lunch support as part of our Elementary Summer School Program. Flexible morning and afternoon shifts are available, with a minimum one-week commitment required.

Who We Are Looking For:

We are seeking responsible, enthusiastic, and caring individuals who enjoy working with children and want to build leadership skills, expand their network, and make a lasting impact.

Commitment Requirement:

Flexible 1-4 week commitments available. Choose a morning or afternoon shift, or sign up for both during your selected week(s).

Questions? Contact volunteer@pvpef.org or visit pvpef.org.

**APPLY
NOW AT
PVPEF.ORG**

Program Highlights

- Orientation and kick-off event
- Build connections with other student volunteers
- Volunteer recognition and service certification available
- Networking opportunities

A \$50 program fee is due at registration. Applications are reviewed on a rolling basis. New volunteers will complete a brief interview. To apply and for more info, go to pvpef.org.

BEN ALLEN
REPRESENTING SENATE DISTRICT 24

Senator Ben Allen's District Office is now accepting applications for the Spring 2026 High School Internship Program. This program provides high school

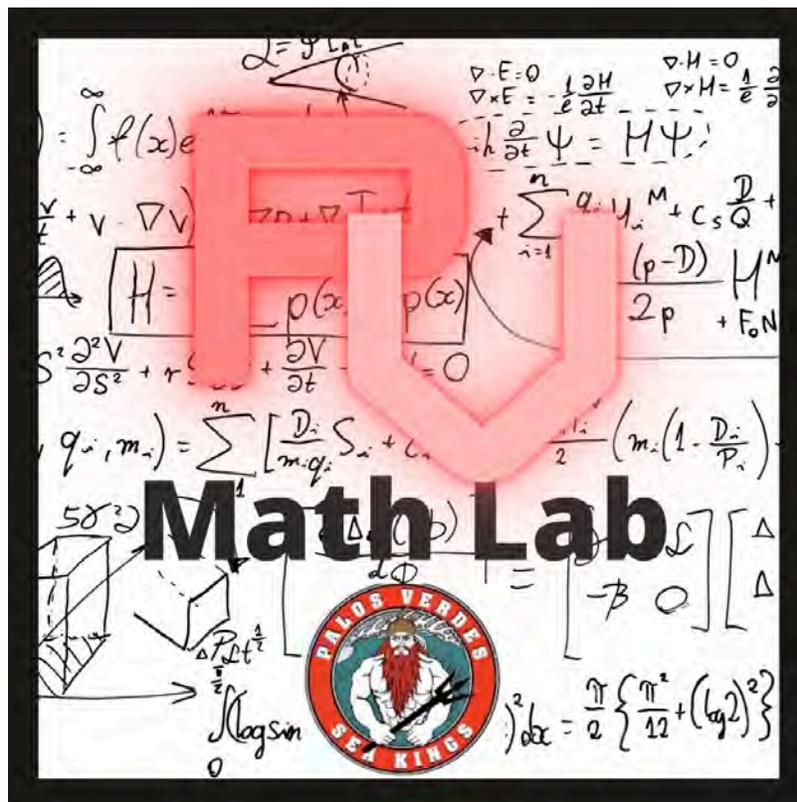

students with an opportunity to learn about public service, strengthen professional skills, and support community-facing work. Interns can expect a structured program that will include a weekly speaker series with members of the Senator's team and local leaders, an introduction to how the local government supports constituents and responds to community priorities, and opportunities to participate in community events and service activities alongside staff. No prior political experience is required.

Key details

- **Program dates: March 2 – May 18, 2026**
- **Weekly virtual meetings: Mondays, 4:30–5:30 PM**
- **In-person participation: Attend at least 2 community events**
- **Eligibility: Current high school students (priority to 11th grade, all grades welcome)**
- **Application deadline: February 8 at 11:59 PM**

How to apply

Apply here: <https://sd24.senate.ca.gov/district/internship>. Applications will remain open through February 8 at 11:59 PM. Questions may be directed to Samantha Gallegos at Samantha.Gallegos@sen.ca.gov.

The State of California assesses schools by testing 11th-grade students in Science, English, and Math. A school's scores on these tests are one of the

biggest factors in determining a school's ranking, which colleges look at when they are considering students for admission. Thus, strong performance on the CAST (Science) and CAASPP ELA and Math tests is pivotal to maintaining our California school ranking and giving our students the best chance to get into top colleges and universities.

Please join PVHS Staff in encouraging our students to prepare and do their best on these upcoming tests. We encourage our Sea Kings to get a good night's sleep, eat a good breakfast, and try to be at their best for these important days. For more information about the CAST and CAASPP exams, please visit: <http://www.cde.ca.gov/ta/tg/ca>

For information on opting out of state tests, please contact Mr. Takeyama at takeyamak@vpusd.net

IMMERSION FOR RESEARCH AND EXPLORATION

A MUDD SUMMER ACADEMY

Where Curious Minds Go Further

ASPIRE is a two-week residential program where students build real problem-solving, critical-thinking and collaboration skills through hands-on STEAM projects, labs and community experiences. The program is a reflection of Harvey Mudd's mission to develop well-rounded scientists, engineers and thinkers grounded in both STEM and the humanities.

WHO: Rising 10th–12th grade students

WHEN: July 12–24, 2026

WHERE: On-campus at Harvey Mudd College, Claremont, CA

FORMAT: Residential (in-person)

WHAT STUDENTS WILL DO

- Participate in hands-on, project-based learning
- Learn alongside peers in small, discussion-driven classes
- Work closely with Harvey Mudd faculty
- Explore co-curricular and community experiences, including company site visits, makerspaces, field trips, and more

During ASPIRE, students will engage in a small, seminar-style course taught by Harvey Mudd faculty or alumni. Students will select from:

- Transistors to Transformers: Hands-on Computing Projects
- The Chemistry of Cooking
- Ethics of Biotechnology
- Mathematics of Voting

PROGRAM COSTS AND FEES

Total Program Cost: \$5,500 (includes \$25 application fee and \$500 enrollment deposit fee, both non-refundable)

The program fee includes orientation, instruction, course materials, lodging, all meals, evening activities, weekend excursions, guest speakers, college readiness programming, closing events, roundtrip airport transportation, and transportation for all company site visits.

We would like to remind our school communities and families/guardians to assess common signs and symptoms of seasonal illnesses such as COVID-19 and Hand Foot Mouth Disease (HFMD). Respiratory illnesses, Flu, COVID-19 transmission, and HFMD peak in the summer and fall but can be seen at any time of the year. For the well-being of all our school community, please keep your student at home if your student is too

sick to come to school. Please review Guidance for Symptoms and When to Stay Home on the district website.

Guidance for Schools: Common Signs & Symptoms

This document is intended to support decision-making for schools and childcare centers when an individual child is displaying signs and symptoms of illness.

Below are suggestions for when to keep your child home when they are not feeling well. Contact a health care provider if your child needs medical care. A doctor's note is generally not required to return to school or child care. For more information, please visit [the CDPH guidance page](#).

This document:

- **does not** replace the advice of a licensed healthcare provider, nor does it revise guidance related to an individual child's known medical condition or existing IEP, Section 504 plan, or IFSP plan.
- **is not** a diagnostic tool. Related symptoms may inform exclusion decisions, but school staff should not attempt to diagnose.
- **does not** replace or revise applicable laws or other requirements.
- **does not** address specific disease outbreaks, when recommendations and public health requirements for exclusion may be more strict.
- **is limited to** consideration of symptoms as evidence of infection, and does not include considerations for other causes of symptoms such as allergies, toxin exposure, and child abuse or neglect.
- **should be used** within the context of an individual student's health and behavior history.

Symptom	When should my child stay home and when can they return?
Overall, not feeling well	<p>STAY HOME IF any new illness or symptom prevents a child from participating meaningfully in routine activities.</p> <p>Please note that a child with multiple symptoms is more likely to be contagious. Recommendations for all applicable symptoms should be considered.</p>
Fever	<p>STAY HOME IF a fever is 100.4°F (38°C) or higher.</p> <p>RETURN WHEN fever went away over the night and is gone in the morning without the use of medications such as Tylenol[®], Advil[®], or Motrin[®] (acetaminophen or ibuprofen). If fever is accompanied by additional symptoms, follow all symptom-specific guidelines.</p>
Respiratory Virus Symptoms (cough, stuffy / runny nose, sneeze)	<p>OK TO ATTEND WITH MILD SYMPTOMS. Children should test for COVID-19 before attending school, wear a mask for 10 days from symptom onset, and follow COVID-19 guidance.</p> <p>STAY HOME IF symptoms are accompanied by fever or if child has significant nasal discharge (i.e. interfering with their ability to participate in school and/or can't be contained without contaminating other children or staff).</p> <p>SEEK MEDICAL ATTENTION for severe symptoms, including a bad cough, difficulty breathing or trouble catching their breath, or wheezing when not controlled by medication (like albuterol).</p> <p>RETURN WHEN child has been fever-free for 24 hours without the use of fever reducing medication and other symptoms are improving.</p>

National League of Young Men, Inc. (NLYM) is a mother and son organization structured around a four-year unique experience for young men in grades 9-12. Our goal is to provide young men with opportunities to contribute to their communities and to enhance the mother-son relationship.

Each year, our Young Men donate nearly 60,000 hours to over 1,000 local and national non-profit organizations across the country. They gain invaluable service experience that will carry with them as they continue to make positive impacts on their communities. NLYM is committed to being an organization that represents and cultivates compassion for all people in the communities in which we live and serve.

NLYM is a growing national organization with new chapters forming from coast to coast.

Currently a chapter is forming in the Palos Verdes Peninsula & South Torrance area and is seeking mothers with sons entering 8th, 9th and 10th Grades who reside in the Palos Verdes Peninsula and South Torrance area.

Our organization is 100% powered by volunteer mothers and young men in high school. We create valued relationships with local non-profit organizations that make life better in our communities and give our Young Men a wide variety of service experiences. We invite local leaders to share their experiences and wisdom with our Young Men. We participate in horizon-expanding cultural experiences and events. Our Young Men are introduced to the art of being a gentleman and the importance of treating others with respect.

NLYM's four-year experience focuses on different aspects of leadership, service, protocol, and culture each year. Our program is designed to help Young Men develop confidence and courage as they lead each other and learn together. We offer our Young Men relevant and profound experiences that reveal the great joy of serving others.

At the end of four years, our Young Men are well-rounded individuals who have developed compassion, important leadership skills, and polished manners.

NLYM is committed to promoting inclusivity and is a non-political, non-religious organization.
