C/O 2026 Senior Packet!

VIP RESERVED GRADUATION SEATS ARE AVAILABLE

Dear Senior Sea King Families,

We are excited to announce two options for seating at graduation this year.

1. **EIGHT FREE general admission tickets per senior**

OR

2. PURCHASE VIP RESERVED SEATS

VIP Graduation Seats are a major PVHS Booster Club Fundraiser!!!! This purchase is tax-deductible.

If you choose to purchase VIP TICKETS, the number of upgraded tickets purchased will be deducted from your general admission tickets.

(For example: If you purchase 6 VIP Tickets , you will only receive 2 general admission tickets).

VIP Reserved seating perks include:

- Padded seats with your family name, in a pre-assigned row
- A minimum of four seats comes with one parking pass in the VIP parking lot
- Family members will be directed to a VIP entrance, where you can sit back and relax
- Seats are located directly behind the seated graduates

Row 1 - SOLD OUT at Catch the Wave

Row 2 - available at \$300 per seat

Row 3 - available at \$200 per seat

Row 4 - available at \$150 per seat

Row 5-8 available at \$100 per seat

REMEMBER you don't have to buy seats....graduation day is amazing either way, but for those who prefer reserved seating to relieve a little of the stress, it's a wonderful option. In addition, you'll be relaxed while donating to our incredible school.

More information about the Graduation and Senior Awards Ceremony will be forthcoming in the next couple of months. This will include more details about general admission tickets and ceremony details.

For questions about purchasing VIP tickets, please contact Amy Roche
& Mindy Gormley @ gradseatsviparking@gmail.com

Director, Jama Maxfield @ maxfieldj@pvpusd.net**

CONGRATULATIONS to your 2026 Senior!!!

GO SEA KINGS!!!!

When a die-hard theater fan plays his favorite cast album, the characters come to life in this hilarious musical farce.

Winner of five Tony Awards, including Best Book and Best Original Score, *The Drowsy Chaperone* is a loving send-up of the Jazz Age musical, featuring one show-stopping song and dance number after another.

With the houselights down, a man in a chair appears on stage and puts on his favorite record: the cast recording of a fictitious 1928 musical. The

recording comes to life, and The Drowsy Chaperone begins as the man in the chair looks on. Mix in two lovers on the eve of their wedding, a bumbling best man, a desperate theater producer, a not-so-bright hostess, two gangsters posing as pastry chefs, a misguided Don Juan and an intoxicated chaperone, and you have the ingredients for an evening of madcap delight.

Hailed by New York Magazine as “The Perfect Broadway Musical,” The Drowsy Chaperone is a masterful meta-musical, poking fun at all the tropes that characterize the musical theater genre.

Performances run April 17-19 and 23-26.

SUMMER VOLUNTEER PROGRAM

Looking to make a difference, develop leadership skills, and earn national recognition — all in one summer? PEF's Summer Volunteer Program offers high school students the opportunity to support younger students while gaining valuable experience.

What You Will Do:

Volunteers will assist in classrooms, supervise recess, and provide lunch support as part of our Elementary Summer School Program. Flexible morning and afternoon shifts are available, with a minimum one-week commitment required.

Who We Are Looking For:

We are seeking responsible, enthusiastic, and caring individuals who enjoy working with children and want to build leadership skills, expand their network, and make a lasting impact.

Commitment Requirement:

Flexible 1-4 week commitments available. Choose a morning or afternoon shift, or sign up for both during your selected week(s).

Questions? Contact volunteer@pvpef.org or visit pvpef.org.

Program Highlights

- Orientation and kick-off event
- Build connections with other student volunteers
- Volunteer recognition and service certification available
- Networking opportunities

A \$50 program fee is due at registration. Applications are reviewed on a rolling basis. New volunteers will complete a brief interview. To apply and for more info, go to pvpef.org.

The State of California assesses schools by testing 11th-grade students in Science, English, and Math. A school's scores on these tests are one of the biggest factors in determining a school's ranking, which colleges look at when they are considering students for admission. Thus, strong performance on the CAST (Science) and CAASPP ELA and Math tests is pivotal to maintaining our California school ranking and giving our students the best chance to get into top colleges and universities.

Please join PVHS Staff in encouraging our students to prepare and do their best on these upcoming tests. We encourage our Sea Kings to get a good night's sleep, eat a good breakfast, and try to be at their best for these important days. For more information about the CAST and CAASPP exams, please visit: <http://www.cde.ca.gov/ta/tg/ca>

National League of Young Men, Inc. (NLYM) is a mother and son organization structured around a four-year unique experience for young men in grades 9-12. Our goal is to provide young men with opportunities to contribute to their communities and to enhance the mother-son relationship.

Each year, our Young Men donate nearly 60,000 hours to over 1,000 local and national non-profit organizations across the country. They gain invaluable service experience that will carry with them as they continue to make positive impacts on their communities. NLYM is committed to being an organization that represents and cultivates compassion for all people in the communities in which we live and serve.

NLYM is a growing national organization with new chapters forming from coast to coast.

Currently a chapter is forming in the Palos Verdes Peninsula & South Torrance area and is seeking mothers with sons entering 8th, 9th and 10th Grades who reside in the Palos Verdes Peninsula and South Torrance area.

Our organization is 100% powered by volunteer mothers and young men in high school. We create valued relationships with local non-profit organizations that make life better in our communities and give our Young Men a wide variety of service experiences. We invite local leaders to share their experiences and wisdom with our Young Men. We participate in horizon-expanding cultural experiences and events. Our Young Men are introduced to the art of being a gentleman and the importance of treating others with respect.

NLYM's four-year experience focuses on different aspects of leadership, service, protocol, and culture each year. Our program is designed to help Young Men develop confidence and courage as they lead each other and learn together. We offer our Young Men relevant and profound experiences that reveal the great joy of serving others.

At the end of four years, our Young Men are well-rounded individuals who have developed compassion, important leadership skills, and polished manners.

NLYM is committed to promoting inclusivity and is a non-political, non-religious organization.

SCOLIOSIS awareness for teens

GET CHECKED! Ask your doctor to check for scoliosis. It only takes a few seconds!

What to look for:

- Uneven shoulders
- Spine curves
- Uneven waist or arm gap
- Rib or shoulder blade sticking out more on one side
- One hip higher

LuskinOIC

SCOLIOSIS IN CHILDREN & TEENS Dr. Anthony Scaduto

Why LuskinOIC For Scoliosis?

Luskin Orthopaedic Institute for Children is not related to, sponsored by, or endorsed by the Palos Verdes Peninsula Unified School District.

The LuskinOIC Pediatric Scoliosis Center is led by one of the country's top orthopaedic surgeons, Dr. Anthony Scaduto. He has received numerous awards for his work in the field of pediatric orthopaedics and spinal deformity surgery, and both he and his expert team are renowned for their success in treating pediatric scoliosis.

Our researchers are also advancing the treatment of scoliosis. At the JVL Research Center at LuskinOIC, our biomechanical engineers and pediatric orthopaedic surgeons collaborate regularly to address clinical and surgical problems in the lab. The research projects focusing on scoliosis and related surgeries have been published in major international journals.

OUR HOLISTIC APPROACH FROM DIAGNOSIS TO TREATMENT

- Advanced 3D Imaging**
Low-radiation X-rays with precise diagnostic software
- Continuous Monitoring**
Track mild curves and watch progression early
- Expert Surgery**
Skilled interventions for severe cases
- Growth-Friendly Treatments**
Designed for developing young patients
- Custom Bracing**
Comfortable, effective support for moderate curves
- Complete Follow-Up**
Comprehensive care through recovery

Scoliosis Awareness

What is Scoliosis?
Scoliosis is a condition where the spine curves and twists to the side instead of growing in a straight line.

Why Teens Should Be Aware

- Research shows a MUCH higher percentage of dancers may have scoliosis compared to the general population
- Scoliosis is more common in girls than in boys
- Scoliosis can occur suddenly in kids ages 10-15 during a growth spurt. (sometimes younger)

Awareness helps teens stay informed.

Why Early Detection Matters

- More treatment options
- Better monitoring during growth
- Helps support injury prevention

Many athletes can continue their sport fully and safely. **Early detection often means observation and guidance, not extreme treatment.**

Important to Know

- Scoliosis is not caused by bad posture or carrying heavy backpacks
- Many cases are idiopathic (no known cause)
- Having scoliosis does not always mean that you must stop your sport

If You Notice Signs
Talk with a parent, guardian, or healthcare provider. A medical professional can decide if further evaluation is needed.

This flyer is for educational purposes only and does not provide medical advice or diagnosis. Self-checks and visual screenings cannot diagnose scoliosis. Only a qualified medical professional can diagnose or recommend treatment.

Nearly 3% of the U.S. population has been diagnosed with scoliosis. When treated correctly, children can lead **healthy, active, fulfilling lives.**

WHAT IS SCOLIOSIS?
Scoliosis is a medical condition defined by a sideways curve of the spine, typically forming a "C" or "S" shape. It can be hereditary and appear in infancy, or develop during puberty as growth spurts occur.

SIGNS & SYMPTOMS
Each child may have a unique combination of these symptoms. Look for:

- ✓ One shoulder blade sticks out noticeably more than the other
- ✓ Ribs protrude more prominently on one side
- ✓ Tilted or uneven shoulders — may make clothing appear crooked
- ✓ Uneven waistline or hip bone, which can make pants legs appear uneven
- ✓ Head does not appear centered with the rest of the body

QUESTIONS EVERY PARENT ASKS

- Q: Will my child need surgery?**
Most don't — over 75% never need surgery. Many cases are managed with monitoring or bracing alone.
- Q: How long do they wear a brace?**
Usually 12–24 months, and often only at night depending on severity and growth stage.
- Q: Do braces really work?**
Yes — bracing stops progression in 80%+ of kids. Our custom braces allow comfortable, flexible movement.
- Q: Will the curve get worse without treatment?**
It often does during growth—but early care like monitoring and bracing keeps most curves mild and manageable.
- Q: Can my child still play sports?**
Yes. Almost all sports are encouraged. Physical activity is healthy and generally not restricted.
- Q: What types of scoliosis do you treat?**
All types — idiopathic, congenital, and neuromuscular scoliosis. We tailor treatment to each child's specific needs.
