Students and Parents, I'm excited to announce that Link Crew is looking for the leaders of the future. Link Crew is a nationwide program that helps freshmen enter high school with successful advice and help.

We also provide activities to foster a positive school environment for everyone. You must be a current sophomore or junior to apply. If you think you could be a leader, [get an application](#) from [pvhigh.com](#) **Miss Klabe in room 316** or email: seekinglinkcrew@gmail.com. Applications are **due by Friday, May 15th. No exceptions.**

Need more info? Stop by Miss Klabe's class, 316, or send an email.

Some info about Link Crew:

Leader trainings and Orientation are **mandatory** and will be held on August 13th and 14th OR August 15th and 16th. Orientation is Tuesday, August 18th. More information available on the application.

Link Crew is a high school transition program that welcomes freshmen and makes them feel comfortable throughout the first year of their high school experience. Built on the belief that students can help students succeed, Link Crew trains members of the junior and senior classes to be Link Leaders. As positive role models, Link Leaders are motivators, leaders, and teachers who guide the freshmen to discover what it takes to be successful during the transition to high school and help facilitate freshman success.

More and more studies show that if students have a positive experience their first year in high school, their chance for success increases dramatically. The Link Crew high school transition program provides the structure for freshmen to receive support and guidance from juniors and seniors who have been through the challenges that high school poses, and understand that the transition to a larger school can sometimes be overwhelming.

Link Crew begins with a powerful orientation day that makes freshmen excited and proud to be attending their new high school and allows them to begin developing relationships and strategies that will contribute to their high school success.

Attention Senior Class of 2026: It is time to order your **Final Transcript** from your counselor. Whether you will be attending a two-year or four-year program, taking a gap year, or enlisting in the military, wherever your postsecondary plans take you after you graduate from PVHS, you must order a transcript to be sent to your college (or to your home if you are not attending a school next year).

Transcripts may be ordered via 'Scribbles': <https://pvpusdca.scribborder.com/applicationCurrent>

(Select "Seniors ONLY Final Transcript")

If you are a student athlete and need your transcript sent to the NCAA, please indicate so in the Comments section. There is no fee for this.

Please order your final transcript **by Friday, May 29, 2026!** Please see your counselor if you have any questions. **Congratulations** to our almost graduates!

Will you be in 11th or 12th grade next year?

Join the PVHS Student Counseling Ambassadors!

The **Student Counseling Ambassadors** is a new counseling leadership program coming out of the Counseling office. Ambassadors will receive mental health and social-emotional training from school counselors. This counselor-trained and student-led group will be dedicated to cultivating a connected environment on the PVHS campus.

Click on the application link below to read more about this exciting new program.

As part of your application, you must also have *one* teacher recommendation. Please locate the Teacher Recommendation link below and email the link to your teacher of choice after you submit your application.

[2026-2027 Student Counseling Ambassadors Application](#)

2026-2026 Student Counseling Ambassadors Teacher Recommendation Form

Deadline: Friday, May 15, 2026. If you have any questions, please come see Ms. Shulman or Mrs. Nelson in the counseling office.

As the 2026–2027 school year approaches, if your child will not be returning to PVPUSD for fall enrollment, please review the information below.

If your student **will not** be returning for the 2026–2027 school year, please complete the Withdrawal Notification Form as soon as possible. This allows us to prepare necessary documents and support a smooth transition to your child’s new school.

If your child will continue in PVPUSD next year, no action is required.

Why It’s Important:

- Enables us to compile and transfer essential records promptly and securely
- Helps your child’s next school receive all appropriate documentation without delay
- Facilitates a seamless transition into their new educational environment

Thank you for your attention to this matter and for helping ensure a smooth transition for your student.

For more information on the new Peninsula Chapter, please email Jackie Enriquez at myenriquez5@gmail.com

National League of Young Men, Inc. (NLYM) is a mother and son organization structured around a four-year unique experience for young men in grades 9-12. Our goal is to provide young men with opportunities to contribute to their communities and to enhance the mother-son relationship.

Each year, our Young Men donate nearly 60,000 hours to over 1,000 local and national non-profit organizations across the country. They gain invaluable service experience that will carry with them as they continue to make positive impacts on their communities. NLYM is committed to being an organization that represents and cultivates compassion for all people in the communities in which we live and serve.

NLYM is a growing national organization with new chapters forming from coast to coast.

Currently a chapter is forming in the Palos Verdes Peninsula & South Torrance area and is seeking mothers with sons entering 8th, 9th and 10th Grades who reside in the Palos Verdes Peninsula and South Torrance area.

Our organization is 100% powered by volunteer mothers and young men in high school. We create valued relationships with local non-profit organizations that make life better in our communities and give our Young Men a wide variety of service experiences. We invite local leaders to share their experiences and wisdom with our Young Men. We participate in horizon-expanding cultural experiences and events. Our Young Men are introduced to the art of being a gentleman and the importance of treating others with respect.

NLYM's four-year experience focuses on different aspects of leadership, service, protocol, and culture each year. Our program is designed to help Young Men develop confidence and courage as they lead each other and learn together. We offer our Young Men relevant and profound experiences that reveal the great joy of serving others.

At the end of four years, our Young Men are well-rounded individuals who have developed compassion, important leadership skills, and polished manners.

NLYM is committed to promoting inclusivity and is a non-political, non-religious organization.

SCOLIOSIS awareness for teens

GET CHECKED! Ask your doctor to check for scoliosis. It only takes a few seconds!

Scoliosis Awareness

What is Scoliosis?

Scoliosis is a condition where the spine curves and twists to the side instead of growing in a straight line.

Why Teens Should Be Aware

- Research shows a MUCH higher percentage of dancers may have scoliosis compared to the general population
- Scoliosis is more common in girls than in boys
- Scoliosis can occur suddenly in kids ages 10-16 during a growth spurt. (sometimes younger)

Awareness helps teens stay informed.

Why Early Detection Matters

More treatment options
Better monitoring during growth
Helps support injury prevention
Many athletes can continue their sports fully and safely
Early detection often means observation and guidance, not extreme treatment.

Important to Know

- Scoliosis is not caused by bad posture or carrying heavy backpacks.
- Many cases are idiopathic. (no known cause)
- Having scoliosis does not always mean that you must stop your sport

If You Notice Signs

Talk with a parent, guardian, or healthcare provider. A medical professional can decide if further evaluation is needed.

This flyer is for educational purposes only and does not provide medical advice or diagnosis. It is not intended to be used as a substitute for professional medical advice. Only a qualified medical professional can diagnose or recommend treatment.

SCOLIOSIS IN CHILDREN & TEENS

Dr. Anthony Scudato

Why LuskinOIC For Scoliosis?

Luskin Orthopaedic Institute for Children is not related to, sponsored by, or endorsed by the Palos Verdes Peninsula Unified School District.

The LuskinOIC Pediatric Scoliosis Center is led by one of the country's top orthopaedic surgeons, Dr. Anthony Scudato. He has received numerous awards for his work in the field of pediatric orthopaedics and spinal deformity surgery, and both he and his expert team are renowned for their success in treating pediatric scoliosis.

Our researchers are also advancing the treatment of scoliosis. At the JVL Research Center at LuskinOIC, our biomechanical engineers and pediatric orthopaedic surgeons collaborate regularly to address clinical and surgical problems in the lab. The research projects focusing on scoliosis and related surgeries have been published in major international journals.

Nearly 3% of the U.S. population has been diagnosed with scoliosis. When treated correctly, children can lead **healthy, active, fulfilling lives.**

WHAT IS SCOLIOSIS?

Scoliosis is a medical condition defined by a sideways curve of the spine, typically forming a "C" or "S" shape. It can be hereditary and appear in infancy, or develop during puberty as growth spurts occur.

SIGNS & SYMPTOMS

Each child may have a unique combination of these symptoms. Look for:

- ✓ One shoulder blade sticks out noticeably more than the other
- ✓ Ribs protrude more prominently on one side
- ✓ Tilted or uneven shoulders — may make clothing appear crooked
- ✓ Uneven waistline or hip bone, which can make pant legs appear uneven
- ✓ Head does not appear centered with the rest of the body

QUESTIONS EVERY PARENT ASKS

- Q: Will my child need surgery?**
Most don't — over 75% never need surgery. Many cases are managed with monitoring or bracing alone.
- Q: Do braces really work?**
Yes — bracing stops progression in 80%+ of kids. Our custom braces allow comfortable, flexible movement.
- Q: Can my child still play sports?**
Yes. Almost all sports are encouraged. Physical activity is healthy and generally not restricted.
- Q: How long do they wear a brace?**
Usually 12–24 months, and often only at night depending on severity and growth stage.
- Q: Will the curve get worse without treatment?**
It often does during growth — but early care like monitoring and bracing keeps most curves mild and manageable.
- Q: What types of scoliosis do you treat?**
All types — idiopathic, congenital, and neuromuscular scoliosis. We tailor treatment to each child's specific needs.
